Parsley Basil Recipe:

100 Recipes America's Test Kitchen, 2015-10-13 A provocative handpicked collection of relevant and surprising essential recipes for today's cook. We have countless recipes at our disposal today but what are the real keepers, the ones that don't just feed us when we're hungry or impress our friends on Saturday night but inspire us to get into the kitchen. At the forefront of American cooking for more than 20 years, the editors at America's Test Kitchen have answered this question in an essential collection of recipes that you won't find anywhere else: *100 Recipes Everyone Should Know How to Make*. Organized into three recipe sections: Absolute Essentials, Surprising Essentials, and Global Essentials, each recipe is preceded by a thought-provoking essay that positions the dish. For example, "Treating Pasta Like Rice Simplifies Everything," "A Covered Pot Is a Surprisingly Good Place to Roast a Chicken," and "Reimagine Pie in a Skillet to Simplify the Process." You'll find useful workday recipes like a killer tomato sauce that's almost as easy as opening a jar of the store-bought stuff, genius techniques for producing amazing flavor (try poaching chicken breasts over a garlic and soy-spiked brine), trust us, it's that good, and familiar favorites reinvigorated (the best beef stew comes from Spain and it's even easier to make than the stateside stew you've been eating for years). Gorgeous photography shot right in the test kitchen accompanies every recipe, revealing the finished dish as well as highlights of its preparation. Likely to stir debate among anyone interested in food and cooking, *100 Recipes Everyone Should Know How to Make* provides a snapshot of how we cook today and will galvanize even the most jaded cook to get into the kitchen.

Cooking with Amore Maria Amore, 2014-04-17 There's more to cooking than quickly preparing something to eat. It's about mindfully infusing love into every ingredient you choose to ingest. From the chef, animal advocate, author, and teacher Maria Amore comes a cookbook quite unlike anything you have seen before. Inspired as much by her early love of the kitchen and garden as by her Italian heritage and world travels, Maria has created 100 vegan recipes in *Cooking with Amore* that are sure to tantalize even the most discriminating vegan and non-vegans alike. Whether you are looking to add more flavorful plant-based meals to your diet or feel ready to take the leap into a fully vegan lifestyle, *Cooking with Amore* has everything you will need to nourish your body and soul. With many gluten-free options, both raw and cooked, vegan recipes, this easy-to-follow guide makes vegan cooking effortless and pleasurable, allowing you to create irresistibly delicious homestyle vegan dishes. For Maria, vegan cooking is premised on the concept of ahimsa, a way of life and a key tenet of many South Asian faiths and traditions. Stressing non-violence towards all living beings, respect, and interconnectedness between all forms of life, vegan cooking is the culinary embodiment of ahimsa and is the true essence of cooking with love.
