

Accounting and Finance Comprehensive Exam Summary:

Graduate Level

Peregrine Academic Services (PAS) provides assessment services for performing direct assessment of learning outcomes in a range of academic disciplines. The online exams are used to evaluate retained student knowledge in relation to the academic program's learning outcomes.

This document outlines the Accounting and Finance assessment service for the master's and doctoral degree levels.

The assessment service is designed for use by US-based schools and programs.

PAS places a high priority on ensuring the validity and reliability of the assessment services. These practices begin at the design stage and continue through beta-testing, and with ongoing regularly scheduled quality reviews. A description of the approach used to ensure ongoing validity and reliability is provided at the end of this document.

The exams include 10 questions for each topic and each exam is unique as questions are selected at random from the test bank with 50-200 questions per topic.

The academic program manager may choose to include additional topics to complement core topic areas. These may be selected from the supplemental topics summarized below.

This document provides information on:

- Topics and sub-topics where applicable, and the subjects covered within each topic or sub-topic.
