THE WINTER SERVICE PROJECT

Every year, the students of the school participate in a winter service project. This year, the students were asked to help the elderly in the community. The students were divided into groups and each group was assigned a different task. Some groups were asked to visit the elderly in the nursing home, while others were asked to help them with their housework. The students were also asked to bring them some food and clothing. The students were very happy to help the elderly and they all enjoyed the project. The project was a great success and the students were very proud of what they had accomplished.
