Wibeck,2019-10-03 A comparison of how societal actors in different geographical political and cultural contexts understand agents and drivers of sustainability transformations      **Managing without Growth, Second Edition** Peter A. Victor,2018

Ten years after the publication of the first edition of this influential book the evidence is even stronger that human economies are overwhelming the regenerative capacity of the planet This book explains why long term economic growth is infeasible and why especially in advanced economies it is also undesirable Simulations based on real data show that managing without growth is a better alternative      **Power, Suffering, and the Struggle for Dignity** Alicia Ely Yamin,2016 Power Suffering

and the Struggle for Dignity provides a solid foundation for comprehending what a human rights framework implies and the potential for greater justice in health it entails      The PallasCeres Report Megan K. Seibert,2023-09-21 The Green New Deal has become the global emblem for combatting climate change and averting planetary disaster But it couldn t be more wrong in its characterization of the problem and prescription for what to do about it Masquerading as the pinnacle of liberal progress it would lead us down a path just as destructive as the one we re already on This comprehensive report at once analytical philosophical political and an accessible heartfelt call to action maps an alternative to the scores of energy transition plans drunk on illusory tweakerism and political correctness Grounded in sober ecology and metaphysics it outlines what would actually be required to wean society off fossil fuels avert catastrophic collapse and claim a sustainable path worthy of dignified human beings Containing an extensive yet concise exploration of the problematique why the Green New Deal is flawed and what a genuine one would look like followed by detailed policy recommendations and fiscal proposals this is both a roadmap for governments and a valuable resource for anyone interested in energy and building the New World Unlike other commentary on this topic The PallasCeres Report is not a Marxist critique whereby socialist techno industrial society is presumed to be more sustainable than capitalist techno industrial society It does not outline the litany of problems with renewables only to conclude that they re still better than fossil fuels It is not a vague call for degrowth accompanied by a circular economy Nor does it champion empty rhetoric about free energy that would simply continue to power our destructive system It is a giant leap outside the box detailing why soulless modern civilization is unsustainable and how an entirely new way of being can be born at this pivotal time      An Invitation to Environmental Sociology Michael Mayerfeld

Bell, Loka L. Ashwood, Isaac Sohn Leslie, Laura Hanson Schlachter, 2020-09-23 If there were ever a time for environmental sociology it is now As COVID 19 is spreading across our communities our countries our world we have all become too familiar with maintaining that awful term of social distance Yet there can be no true distance from that which is always with us and within us our social ecology An Invitation to Environmental Sociology invites students to delve into this rapidly changing field Written in a lively engaging style the authors cover a broad range of topics in environmental sociology with a personal passion rarely seen in sociology texts The book's unique organization explores three different kinds of questions about interactions between humans and the natural world the material the ideal and the practical The Sixth Edition of this bestseller comprises 12 chapters instead of 13 making it easier to fit into the normal rhythm of a course But the result is also an edition that is up to date and enriched with much newer material while continuing to use an inviting tone that the title promises Included with this title The password protected Instructor Resource Site formally known as SAGE Edge offers access to all text specific resources including a test bank and editable chapter specific PowerPoint slides
