Voice of Her Own Marlene A. Schiwy,1996-05-27 As writers such as Virginia Woolf Audre Lorde and Anais Nin recognized keeping a journal is a powerful tool of creative expression and self healing In A Voice of Her Own a companion for both new and longtime diarists Marlene Schiwy shows that journal writing is the ideal way to find one s individual voice an opportunity for women to explore feelings intuitions perceptions and ideas often suppressed in our society and to record the truths of their own experience Schiwy invites readers to share the journeys other women have made toward selfhood and encourages them to begin a journey of their own She weaves together passages from published and unpublished journals from works of literature psychology and women s studies with her personal insights A Voice of Her Own is a treasure chest of inspiration for every woman seeking deeper self awareness and new outlets for creativity

Diego Agent of Change: Addressing the Public Education State of Emergency Howard D. Zmudy,2025-08-26 The curriculum approach presented is called Students Empowering Themselves S E T Going for the Magic S E T is based on the quality of sameness within each human being the desire to be happy a consistent response we received for 50 years while working with youth and adults of all ages and cultures from around the world We call it the Common Thread Denominator Experience It is more than a simple intervention applicable in all learning environments it is an evolution that unfolds as all participants come together as an inclusive community working toward a common goal It is driven by empowerment and sustained by the joy of self discovery inspiring the desire to uncover more about oneself Schonert Reichl 2014 stated Educating the heart refers to the importance of not only focusing on developing the cognitive aspects our minds but also all the qualities that make us human our hearts and ultimately give us meaning in our lives Research has demonstrated the positive impacts of developing our hearts the way we feel and relate to one another In fact heart and mind learning are interconnected S E T is eclectic including the application of evidence based neuroscience to instructional strategies that are brain research based and trauma informed securing a pathway to nurturing and building resilience It offers a positive emotional learning environment that reduces stress and promotes building a foundation for a love to learn attitude where learners become leaders

The Tricker is History Carter Thomas Meland,2002 **Game Changer** Jean-Manuel Izaret,Arnab Sinha,2023-10-17 The right pricing strategy can change the entire trajectory of a business a market and even society at large To help you create your best pricing strategy efficiently and confidently two leaders from BCG are introducing fresh perspectives on pricing that take you far beyond the realm of mind numbing numbers In their new book Game Changer How Strategic Pricing Shapes Businesses Markets and Society Jean Manuel Izaret and Arnab Sinha simplify and clarify pricing strategy by integrating its

many frameworks and concepts into seven distinct pricing games each with its own proven tools rules forces and structures To help you pick the right game and play it well Izaret and Sinha have developed the Strategic Pricing Hexagon a tool refined through years of testing iteration and adaptation The Hexagon is your portal to a business world where stronger growth and better financial performance come from a set of strategic pricing decisions not endless myopic quests for optimal prices But more than that the Hexagon will change the way you think about and talk about pricing The current conversation around pricing as expressed through economics textbooks Excel spreadsheets political discourse and educated guesswork makes it easy to believe that pricing is nothing more than a technical tactical and for most people boring game of numbers Game Changer changes that conversation by sharing stories and research that bring the Hexagon and its seven pricing games to life With research from BCG's Bruce Henderson Institute and real world examples from the world's most influential companies the authors and their colleagues at BCG define pricing strategy as a business leader's or business owner's conscious decisions about how money flows in their market They show how companies succeed in the long term when they focus on collaborative growth and value sharing with customers not zero sum value extraction from them Discover how you can create and implement a winning pricing strategy that changes the trajectory of your business your market and even society
