Library,1876 **A Genealogy of the Gentleman** Mary Beth Harris,2024-03-15 A Genealogy of the Gentleman argues that eighteenth century women writers made key interventions in modern ideals of masculinity and authorship through their narrative constructions of the gentleman It challenges two latent critical assumptions first that the gentleman s masculinity is normative private and therefore oppositional to concepts of performance and second that women writers from their disadvantaged position within a patriarchal society had no real means of influencing dominant structures of masculinity By placing writers such as Mary Davys Eliza Haywood Charlotte Lennox Elizabeth Inchbald and Mary Robinson in dialogue with canonical representatives of the gentleman author Joseph Addison and Richard Steele David Hume Samuel Johnson and Samuel Richardson Mary Beth Harris shows how these women carved out a space for their literary authority not by overtly opposing their male critics and society s patriarchal structure but by rewriting the persona of the gentleman as a figure whose very desirability and appeal were dependent on women s influence Ultimately this project considers the import of these women writers legacy both progressive and conservative on hegemonic standards of masculinity that persist to this day The Queer Bible Commentary, Second Edition Mona West,Robert E. Shore-Goss,2022-09-30 First published over ten years ago The Queer Bible Commentary brings together the work of several scholars and pastors known for their interest in the areas of gender sexuality and Biblical studies Contributors draw on feminist queer deconstructionist utopian theories the social sciences and historical critical discourses The focus is both how reading from lesbian gay bisexual and or transgender perspectives affect the reading and interpretation of biblical texts and how biblical texts have and do affect LGBTQ communities This revised 2nd edition includes updated bibliographies and chapters taking into account the latest literature relating to queer interpretation of scripture *A Bookman's Catalogue Vol. 1 A-L* T. Bose,Paul Tiessen,1987-01-01 The Colbeck collection was formed over half a century ago by the Bournemouth bookseller Norman Colbeck Focusing primarily on British essayists and poets of the nineteenth century from the Romantic Movement through the Edwardian era the collection features nearly 500 authors and lists over 13 000 works Entries are alphabetically arranged by author with copious notes on the condition and binding of each copy Nine appendices provide listings of selected periodicals series publications anthologies yearbooks and

Pearce,2017-03-06 Beginning in 1172 Judah ibn Tibbon who was called the father of Hebrew translators wrote a letter to his son that was full of personal and professional guidance The detailed letter described as an ethical will was revised through the years and offered a vivid picture of intellectual life among Andalusí elites exiled in the south of France after 1148 S J Pearce sets this letter into broader context and reads it as a document of literary practice and intellectual values She reveals how ibn Tibbon as a translator of philosophical and religious texts explains how his son should make his way in the family business and how to operate textually within Arabic literary models even when writing for a non Arabic audience While the letter is also full of personal criticism and admonitions Pearce shows ibn Tibbon making a powerful argument in favor of the continuation of Arabic as a prestige language for Andalusí Jewish readers and writers even in exile outside of the Islamic world **Reader's Guide to Judaism** Michael Terry,2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly Chicorel Index to Poetry in Anthologies and Collections in Print Marietta Chicorel,1974 **Karl Marx and Friedrich Engels (RLE Marxism)** Cecil L.
