

5.) Based on the document what were the main **differences** between samurai and knights?

- **Differences:**
- Training: Samurai trained in studies as well as in fighting and sometimes Japanese girls received warfare instruction.
- There were many different levels of a knight's training unlike that of the Samurai.
- Samurai may have gone into battle at a much younger age since they became a samurai at the age of 14 & a knight didn't become "knighted" until the age of 21 where he would be in battle alone.
