2. What was the main problem?

Name: _____

The Picnic

My family and I have picnics in the forest pretty often in the summer. We all love to spend our spare time surrounded by nature. We love to watch animals in the forest, we love to watch the river flowing, and we love to feel the warm sun on our skin. Yesterday, our picnic was pretty memorable because a bunch of ants got into our food. I guess while these ants marched first, Dad tried to use a bottle to trap them. The idea definitely didn't work.
