d lost my way lost my family lost my friends I was totally screwed up from all the acid trips and the speed and the MDA binges with strange coloured animals flitting by me seeing and hearing things that weren't there I knew I had done something to myself that I had crossed a line I knew I was messed up in a bad way I'd seen the end of Danny Brooks in an alleyway with a needle sticking out of my arm But God had another idea He wouldn't let me forsake the life He'd given me My spirit cried out for help from a place of black despair I believe this book is one of the reasons He kept me alive He wanted me to share my story of loss and redemption No matter how badly strung out you are there is always hope There is always Him to call on Faith can make you clean Faith can keep you sober Faith can give you your life back and your dignity family and friends My story isn't pretty but my hope is that it will be a light at the end of the tunnel for you or a loved one who has lost his way May the way be found Sincerely Danny
