Dear Eagle Board of Review:

I enthusiastically offer this Eagle Scout Letter of Recommendation in support of Sammy Mwatha's application for the rank of Eagle Scout.

I have known Sammy for nearly twelve years. Sammy and my grandson Brian became fast friends in 2015 when his family moved into our neighborhood in Southern Lines. Each passing year, their friendship only seems to grow deeper.

While my grandson has been blessed with a close-knit social group of friends that has largely remained intact since his junior school years, Sammy has been a dependable and steadfast pal. He is Brian's trusted confidant, a calm voice of reason.

Growing up can be pretty challenging. Teenagers are sometimes forced to make complex and decisions in the face of temptation and a myriad of distractions. There is one particular example in my mind that highlights Sammy's solid values and ethics.

During the boys' sophomore year, a leaked copy of the final physics exam circulated among their classmates. A copy of the illicit document arrived in the email inboxes of Sammy and Brian while they relaxed at our house. While my grandson Brian shillyshallied over whether to open and read the email, Sammy put his foot down and counseled Brian to destroy the email. The boys deleted the email before opening it and disclosed the issue to the school administration.

For Sammy, there was no clear incentive to act this way, but his conscious and sense of right and wrong shined through. I recommend Sammy without reservation.

Please feel to contact me at [pete2 @ yahoo . com](mailto:pete2@yahoo.com) or (837) 234-7794 if you want more details about Sammy.

*Sincerely,
Peter Barnet*

his decision to leave medical school after he realized that he could not compartmentalize work and creative life or follow in his surgeon father's footsteps. A brief first marriage rearranged his understanding of gender and sexuality and a job teaching in an innercity school initiated him into racial politics. Literacy became a dramatic social reality when he witnessed the start of the national literacy campaign in postrevolutionary Nicaragua and spent two months finding his bearings while writing poetry in Mexico City. Goldblatt presents a thoughtful and exquisitely crafted narrative of his life to illustrate that literacy exists at the intersection of individual and social life and is practiced in relationship to others. While the concept of literacy autobiography is a common assignment in undergraduate and graduate writing courses, few books model the exercise. *Writing Home* helps fill that void and with Goldblatt's emphasis on out of school literacy fosters an understanding of literacy as a social practice.
