

WHAT DETERMINES ELIGIBILITY?

A multidisciplinary team will review a student's social history, progress notes and updates from teachers and therapists, doctor diagnoses, psychoeducational and academic testing results, report cards, and parent insights to determine if a student is eligible for special education services.

HOW OFTEN WILL AN IEP BE UPDATED?

An IEP must be reviewed annually, or more often if needed, to ensure that the student is meeting their annual goals and to determine future services and goals. In addition, every three years, students will undergo a reevaluation to determine whether he or she continues to require special education and related services to access the general education programs.

Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of compelling stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and suspenseful novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
