What'll We Do with this Life? Karl Krolow, 1993

Karl Krolow, considered by many the dean of contemporary German poets, has had a rich and varied career as a prose writer, essayist, and translator as well. He is the author of more than thirty volumes of poetry, each with a life and mind of its own. This selection aims to be as representative as possible of the four major decades of his life as a poet. In the forty years that *What'll We Do With This Life* covers, Krolow ranges across many subjects and themes, all the while absorbing and articulating them by means of a lyric voice or, on occasion, voices that is at once abstract and detached but so concentrated and focused that what is observed and communicated becomes intimate, almost voyeuristic accounts of our private lives which turn out to be the sum and substance of our public lives as well. In poems, Krolow calls half-open doors; he heightens our readiness to respond to life's exigencies to which we are not quite privy but which affect our lives deeply. His basic stylistic mode, part of the century's *parlando* tradition, issues from a deep private center that wishes to connect, if only briefly, often with one other human at a time. The paradox is that the more detached the poems seem, the more intimately the reader is affected, caught, exposed in the blaze of the imagined moment. Krolow puts it this way: Poems are for those waiting for lightning. Krolow also observes that in trying to make the poem of almost nothing, he perhaps stands a chance of having it be about everything; he is fond of quoting Flaubert in this regard, who most wanted to write a book about nothing. But even as Krolow's embarrassed I tries to escape our direct attention, we reach through the poem and its relation to our own internal monologues, human images that connect us all. Today, approaching eighty and not in the best health, Krolow remains poetically and politically involved, taking a lively interest in the emergence of a united Germany with all the challenges that presupposes. As a critic, a reader, a judge of literary competitions, and as president of The Germany Academy of Language and Literature, 1972-75, he has been generous in his ways with the talents of others, doing much to ensure that we will leave literary descendants. Almost no living German writer, and many another writer beyond the borders of Germany, has been without Krolow's direct or indirect support.

The Selected Poems of Osip Mandelstam Osip Mandelstam, 2004-08-31

Osip Mandelstam is a central figure not only in modern Russian but in world poetry, the author of some of the most haunting and memorable poems of the twentieth century. A contemporary of Anna Akhmatova, Marina Tsvetayeva, and Boris Pasternak, a touchstone for later masters such as Paul Celan and Robert Lowell, Mandelstam was a crucial instigator of the revolution of the word that took place in St.

Petersburg only to be crushed by the Bolshevik Revolution Mandelstam's last poems written in the interval between his exile to the provinces by Stalin and his death in the Gulag are an extraordinary testament to the endurance of art in the presence of terror This book represents a collaboration between the scholar Clarence Brown and W S Merwin one of contemporary America's finest poets and translators It also includes Mandelstam's Conversation on Dante an uncategorizable work of genius containing the poet's deepest reflections on the nature of the poetic process

The Selected Poetry and Prose of Andrea Zanzotto Andrea Zanzotto, 2006 Andrea Zanzotto is widely considered Italy's most influential living poet The first comprehensive collection in thirty years to translate this master European poet for an English speaking audience The Selected Poetry and Prose of Andrea Zanzotto includes the very best poems from fourteen of his major books of verse and a selection of thirteen essays that helps illuminate themes in his poetry as well as elucidate key theoretical underpinnings of his thought Assembled with the collaboration of Zanzotto himself and featuring a critical introduction thorough annotations and a generous selection of photographs and art this volume brings an Italian master to vivid life for American readers Now in this book American readers can get a just sense of Zanzotto's true range and extraordinary originality Eric Ormsby New York Sun What I love here is the sense of a voice directly speaking Throughout these translations indeed from early to late the great achievement seems to be the way they achieve a sense of urgent address Eamon Grennan American Poet
