Fallen Angel Rising Bridgette C. Kent, 2013-07-12 This book was written to inspire hope and to begin healing for those experiencing adversity or who have wounds to heal I hope that my words help you gain perspective on the past and avoid the mistakes I've made as you go forward on your journey I now view every single experience as positive because adversity brought me here to this place where I can help you heal your life This book is dedicated to Rape victims When they tell you it wasn't your fault it is true No matter what choices you made the instant the word no crossed your lips all should have stopped Whatever happened after that was not your fault Those suffering from depression and or PTSD As a society we need to do more to remove the stigma of psychological illness so that more people will seek the help they need before the situation becomes desperate All fibromyalgia patients We must continue to advocate for a cure and not settle for lifelong symptom management When we put our voices together there is nothing we cannot accomplish Those who want a change in their life Whether it's a divorce an illness or any other issue that has you feeling less than you can change your circumstances Anyone who has had or is having thoughts of suicide Know that suicide not the answer I am an example of that If I did not see that dark place and lived to talk about it I wouldn't be writing this for you today I would never have known life could be this incredible
