

GM Truck Parts Interchange Guide

1973-1987

Used Parts Buyers Guide

Tough as nails and able to conquer harsh life of the farm, but with an enough beauty to tame any street in the city, that was the classic 1973-1987 Chevrolet and GMC pickup truck. Coming in range of sizes from the duty half ton, to the work horse full one ton truck plus the sporty Blazer/Jimmy the land carrier Suburban and the van, which could be a people hauler or a bedroom on wheels. Today the Chevrolet pickup remains a strong contender for both work and play.

To keep cost down very little retooling was down during this time span, thus a lot of parts will interchange. For example the bed from a step side pickup was the same from 1973-1987. Does this mean all parts from 1973-1987 will fit? No, but with *The GM Truck Used Parts Buyers Guide 1973-1987* you will know which parts will. Covering all mechanical and body parts this is the only guide you will ever need to find parts for your 1973-1987 Chevrolet or GMC truck. Be it a workhorse C-30, a off road ready Blazer, Suburban or van they are all covered in this guide. **Do not go to the yard with out it!**
