Reflections of a Wyoming Shepherd on the 23rd Psalm Patricia McClafin Booher,2009-03-20 The Great War was over and families were reunited The McClafin family began life afresh on a homestead in the northern plains of Wyoming clearing off sagebrush and tilling virgin soil Childhood memories of caring for orphan lambs have made an indelible imprint on the stories that have been penned to the pages of this beloved story of courage and endurance The authors lifelong journey of walking with the Heavenly Shepherd of the 23rd Psalm is the spark that kindles the flame of compassion and caring the reader will experience from the stories of family and the love of life The death of a parent is a common experience until that season of life is within

your family Layer upon layer circumstances of life hopefully will mold us into persons with a lot of horse sense better known in today's society as common sense and equip us with a great deal of integrity to pass on to future generations Or we can choose to live a life of despair and each of us makes that choice Colliding with a huge snowplow in a brutal storm in the middle of Shirley Basin in the desolate parts of Wyoming would forever change the life of this author The peace and calm of knowing the protection of the Heavenly Shepherd depicted in the 23rd Psalm while waiting for an ambulance coming from a long distance has given the promise of hope and a future Sunrises and sunsets would forever take on a brighter hue thus allowing Patricia the desire and ability to pen much loved stories of family friends and the Heavenly Shepherd found in this novel

Beyond Christian Zionism Ian Stackhouse, 2024-05-16 *Beyond Christian Zionism* tracks the journey of a Christian pastor theologian from his initial enthusiasm for Christian Zionism in the heady days of the early 1980s to something approximating a volte face as a result of hermeneutical revision and political engagement Given that the church he has pastored for the last twenty years was once an epicenter of Christian Zionism and is now a multi ethnic community the travelogue is as much a reflection on the mission and unity of the Christian community as it is upon the politics of the Middle East But given the ongoing conflict in the Holy Land it also carries a prophetic note of warning to lay aside theological fundamentalism and to engage in the painstaking work of peacemaking
