Congo Stories John Prendergast, Fidel Bafilemba, 2025-04-08

From the author of the New York Times bestselling and award winning *Not on Our Watch* John Prendergast co writes a compelling book with Fidel Bafilemba with stunning photographs by Ryan Gosling revealing the way in which the people and resources of the Democratic Republic of Congo have been used throughout the last five centuries to build develop advance and safeguard the United States and Europe The book highlights the devastating price Congo has paid for that support However the way the world deals with Congo is finally changing and the book tells the remarkable stories of those in Congo and the United States leading that transformation The people of Congo are fighting back against a tidal wave of international exploitation and governmental oppression to make things better for their nation their neighborhoods and their families They are risking their lives to resist and alter the deadly status quo And now finally there are human rights movements led by young people in the United States and Europe building solidarity with Congolese change makers in support of dignity justice and equality for the Congolese people As a result the way the world deal with Congo is finally changing Fidel Bafilemba Ryan Gosling and John Prendergast traveled to Congo to document some of the stories not only of the Congolese upstanders who are building a better future for their country but also of young Congolese people overcoming enormous odds just to go to school and help take care of their families Through Gosling s photographs of Congolese daily life Bafilemba s profiles of heroic Congolese activists and Prendergast s narratives of the extraordinary history and evolving social movements that directly link Congo with the United States and Europe Congo Stories provides windows into the history the people the challenges the possibilities and the movements that could change the course of Congo s destiny Chosen by Amazon as the Best Book of the Month for December 2018 in Biographies Memoirs History and Nonfiction Featuring the life story of Dr Denis Mukwege winner of the 2018 Nobel Peace Prize *Lobbying Success in the European Union* Daniel Rasch, 2018-05-15 Having information is key for most political decisions both for decision makers and societal actors This is especially crucial in democratic countries where external stakeholders are invited to participate in decision making processes Assuming that every actor that gets involved in decision making processes has a particular lobbying goal there is a heterogeneous set of actors competing against each other to provide information to the decision makers This competition leads some stakeholders to be more successful in achieving their goals than others Frames and the framing of information play an important role in such lobbying success In this book Daniel Rasch questions whether and if so how information impacts lobbying success and shows how various actors perform in three instances of European decision making He does so by combining findings from a qualitative content analysis with the results of a cross case analysis using the quantified qualitative data The new dataset contains a representative sample of over 200 position papers from EU level and national consultations press releases and evidence from national stakeholders in Germany Sweden and the United Kingdom *Lobbying Success in the European Union* effectively bridges research on interest mediation and framing studies and offers a new model for measuring stakeholders success This new and pragmatic approach to study lobbying success using a traceable and easy to use instrument can be

adapted to any policy analysis and any issue
