Lipschutz, 2001 As memories of the Cold War recede it becomes more and more difficult to remember what it was about and why it evoked such feelings of intensity and fatalism Fortunately we have a gold mine of movies and novels to help us recall why an entire generation of Americans grew up ducking under school desks in air raid drills and stocking the family bomb shelter Cold War Fantasies retrieves those times based on the idea that a nation s history self concept and collective anxiety are reflected in popular culture In Cold War Fantasies Ronnie Lipschutz combines an historical account of foreign and domestic politics from 1945 to 1995 with summaries and analyses of thirty novels and films contemporaneously published and produced Lipschutz rejects the standard line on the Cold War and critically examines the impacts and effects of language and images on politics Viewing those films and reading those novels enables the reader to come away with a clearer sense of how people felt during the Cold War period about themselves about the enemy and about the world while living in the shadow of the atomic bomb      [The Most Intimate Revelations about Red Storm Rising](#) Dominic Seeding, 2013-02 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of Red Storm Rising Don t say we didn t warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don t buy this book if 1 You don t have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You ve heard it all      **PC Mag** , 1989-10-31 PCMag com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology      [Reagan's War Stories](#) Benjamin Griffin, 2022-09-15 Reagan s War Stories examines the relationship between Ronald Reagan the public and popular culture From an overview of Reagan s youth and the pulp fiction he consumed we get a sense of the future president s good evil outlook Carrying that over into Reagan s reading and choices as president Griffin situates narrative at the center of Reagan s political formation and leadership providing a compelling account of both Reagan s life his presidency and a lens into non traditional strategy formulation Author Ben Griffin tells three stories about an American president who ushered in the end of the Cold War A survey of Reagan s youth and the fiction he consumed and created as an announcer and actor

reveals how the future president's worldview developed A look at the rise of fiction and popular culture rife with pro Americanism in the 1980s details a uniquely symbiotic relationship between the chief executive and popular culture in framing the Cold War as a struggle with an Evil Empire in the Soviet Union Finally Griffin outlines how presidential personality and reading preferences shaped President Reagan's pursuit of the Star Wars initiative and belief in the transformative combination of freedom and technology Griffin demonstrates that novels by Tom Clancy Louis L Amour and science fiction influenced Reagan's view of 1980s geopolitics His identification with fiction led Ronald Reagan to view European Cold War issues with more empathy but harmed the president's policymaking when the narrowness of his reading led him to apply a white hat black hat framework that did not match the reality of conflict in Latin America Reagan treated fictional portrayals seriously believing they shaped public views and offered valid ways to think through geopolitical issues Seeking to shape the reading habits of the public his administration sought to highlight authors who shared his worldview like Tom Clancy Louis L Amour and Allen Drury over other popular writers like Robert Ludlum and John Le Carr who portrayed the Cold War in less stark moral terms The administration's favored popular authors in turn intentionally incorporated Reagan era policies into their work to advocate for them through fiction thus reaching a broader audience than via official government releases and speeches Showing how Reagan used narrative as both a consumer and a communicator Griffin notes that Reagan identified with certain stories and they shaped him as a political leader and later influenced his approach to complex issues When handled deftly incorporating fiction created a common language across the administration and provided a way to convey messages to the masses in a memorable fashion *PC Mag*, 1989-10-31 PCMag.com is a leading authority on technology delivering Labs based independent reviews of the latest products and services Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology [The Jack Ryan Agenda](#) William Terdoslavich, 2006-05-02 Who is Jack Ryan Lowly analyst James Bondian secret agent President of the United States All of the above Or is he just Tom Clancy's mouthpiece for what is right and wrong with politics and policy today What impact did Red Storm Rising have on Ronald Reagan's policy for dealing with the Soviet Union Was A Clear and Present Danger a trial balloon for the administration's international war on drugs Did the climax of Debt of Honor foreshadow the actual terrorist plans for 9 11 And how did Jack Ryan a lowly analyst wind up becoming the President of the United States Was it wishful thinking or a choreographed roadmap for the time when the defense of America was placed firmly in the hands of backroom strategists The Jack Ryan Agenda places each of Tom Clancy's Jack Ryan novels from his bestselling debut of The Hunt for the Red October to his latest The Teeth of the Tiger within the historical context of the U S International situation at the time each book was published The Clinton years are examined as well during this time Clancy occasionally embraced a by any means necessary modus operandi that included Special Forces assassins taking on rogue environmentalists Turning to film The Jack Ryan Agenda explores how the movie versions differ from the Clancy's canon and
