Redeeming Philosophy A God Centered Approach To The Big Questions:

Redeeming Philosophy Vern S. Poythress, 2014-10-31 Who am I Why am I here Where do I find meaning Life is full of big questions The study of philosophy seeks answers to such questions In his latest book prolific author Vern Poythress investigates the foundations and limitations of Western philosophy sketching a distinctly Christian approach to answering basic questions about the nature of humanity the existence of God the search for meaning and the basis for morality For Christians eager to engage with the timeless philosophical issues that have perplexed men and women for millennia this is The Speaking Trinity and His Worded World Pierce Taylor Hibbs, 2018-11-13 The Trinity is a the place to begin speaking God three divine persons who share the same essence and commune with each other in love and glory How does this truth shape the way we view the world and our place in it The Speaking Trinity and His Worded World explores these questions by presenting all of life through the lens of language Understood as communion behavior language has its roots in God himself What's more God has used language not only to create our world but to sustain and direct it Because of this biblical fact we live in a place that always and everywhere reveals the trinitarian God whose speech upholds it All things speak of God by revealing aspects of his character Romans 1 We live in a worded world a world that was spoken and speaks of God Thus language is far more than a means of human communication it is at the center of who God is who we are and what our world is like Join the author as he walks through redemptive history and points out not only how all things can be perceived through the lens of language but what this means for us practically in our use of language Mathematics Vern S. Poythress, 2015-01-31 What does Christianity have to do with the study of mathematics Prolific writer and scholar Vern Poythress offers a startling answer to this perplexing question everything This groundbreaking book argues that the harmony of abstract mathematical truths the physical world of things and the personal world of our thinking depends on the existence of the Christian God With advanced degrees in mathematics and New Testament studies Poythress shows that these distinct perspectives on mathematics cohere because all three find their origin in God's consistent character and nature Whether it's simple addition and subtraction or more complex mathematical concepts such as set theory and the nature of infinity this comprehensive book lays a theistic foundation for all mathematical inquiry

Covenant Lord and Cultic Boundary Michael Beck, 2023-02-02 The Reformed Two Kingdom project has generated a great deal of literature However this literature is often characterized by inflamed rhetoric Further though it is standard fare to assume that Kline was the architect of the project in reality there has been very little scholarly examination of this point In response Kline's system is analyzed through the means of a dialectical discourse with three differing models within the Reformed tradition the Theonomist Perspectivalist and Dooyeweerdian schools Through this means the study keeps away from surface level polemics and instead directs readers to the critically important substructural level of current discussions While clarifying some of the key differences between Kline and his interlocutors often overlooked points of nuance are also

highlighted These points are shown to be important in that they present the potential to lessen frustration and impasse in the ongoing dialogue Gospel Theology John Kuyper Liberty,2021-05-07 The gospel of Jesus Christ is not one theory of the world's origin and purpose standing behind or alongside other competing viewpoints Neither is it one of many components of the Christian religion It is the central purpose heartbeat and jewel of the entire universe It is the power of God Almighty It is the set of glasses we must wear to rightly understand all of God's Word and all of God's world Whether we acknowledge it or not Jesus Christ is the Lord Savior and Treasure This gospel of Jesus Christ is God's grace for individuals and God's grace for all of creation John Kuyper Liberty explains from Scripture that the gospel transforms how we understand and relate to God and his revelation upward theology how we understand and relate to ourselves and other Christians inward theology and how we understand and relate to God's broader creation our communities our cultures and those who are not Christians outward theology This monumental resource written for all people includes chapter titles like The Good News of God's Word Gospel Worship Gospel Joy The Gospel and Money The Gospel Centered Home The Gospel and Work and Gospel Society Jesus Christ by his perfect life bloody cross resurrection in power and ascension into Kingship is reconciling all things to himself

Redeeming the Life of the Mind John M. Frame, Wayne Grudem, John J. Hughes, 2017-11-15 Vern Poythress one of today s leading Reformed theologians has made many vital contributions to evangelical scholarship particularly a vision to glorify Christ as Lord over all areas of human life in order to redeem all realms of human thought In honor of his many years of faithful thinking and writing twenty evangelical scholars have come together to produce a set of essays on topics of importance throughout his ministry biblical exeges the doctrine of the Trinity worldview history and ethics God in the <u>Labyrinth</u> Andrew Hollingsworth, 2019-10-11 In God in the Labyrinth Andrew Hollingsworth uses Umberto Eco's semiotic concept of the model encyclopedia as the basis for a new model and approach to systematic theology Following an in depth analysis of the model encyclopedia in Eco's semiotics he demonstrates the implications this model has for epistemology hermeneutics and doctrinal development This work aims to bridge the unfortunate gap in research that exists between the fields of systematic theology and semiotics by demonstrating semiotic insights for theological method Interpreting **Eden** Vern S. Poythress, 2019-03-14 No interpreter of the creation narratives can avoid interacting with this book Derek W H Thomas Christians have long discussed and debated the first three chapters of the Bible How we interpret this crucial section of Scripture has massive implications for how we understand the rest of God's Word and even history itself In this important volume biblical scholar Vern Poythress combines careful exegesis with theological acumen to illuminate the significance of Genesis 1 3 In doing so he demonstrates the sound interpretive principles that lead to true understanding of the biblical text while also exploring complex topics such as the nature of time the proper role of science interpretive literalism and more

Reading the Word of God in the Presence of God Vern S. Poythress, 2016-03-16 Biblical interpretation is typically viewed as concerned with understanding the human author's intended meaning However for Christians the Bible is first and

foremost God's Word and must be understood in that light Helping Christians approach the Bible with God in mind this book sets forth a more nuanced approach to biblical interpretation that pays attention to both the human and divine origins of these sacred texts Whether it's reviewing the three basic steps of interpretation or emphasizing the importance of paying attention to the Christ centered character of both the Old and New Testaments this book is a much needed resource for the church as it wrestles to defend the authority of Scripture in our increasingly relativistic world

Pursuing Excellence for the Glory of God Keith A. Currivean, 2022-01-13 What is education How and why do educators do what we do And in what way can and ought education be distinctively Christian These are a few of the probing questions for which this book seeks answers Among other contributions Currivean's book explores a biblical philosophy of Christian education with unprecedented breadth and depth To accomplish this objective it considers what education is chapter 1 what philosophy of education is chapter 2 and what the ultimate goal of education is chapter 3 Additionally this book provides a never before Christian overview of twelve philosophies of education chapters 4 15 Each of those chapters provides an introduction of a particular philosophy of education and some of that philosophy s exemplars Each of those chapters also contributes a constructive Christian critique Chapter 16 highlights a biblical philosophy of Christian education featuring some people some principles and some priorities for a biblical philosophy of Christian education viz pursuing excellence for the glory of God

Commandments from Heavenly Realms Biswajit Pattajoshi, 2019-03-30 We strongheadedly believe that God is the messianic savior and that God's light shall prevail unto the brethren for his sons and daughters to illumine the truth and his existence Our God's birth is in his earthly heaven and he shall pour his blessing unto you at times of apocalypse which is the revivalist truth of God s infinitesimal picture and his physical presence on earthly heaven We also believe in Lord s feet washing and that glory can be established by truth service devotion and compassion for your father and mother brothers and sisters grandfathers and grandmothers peers friends kith and kins and neighbors to have pure godly feet washing service to humankind This is to ignite the passion of love and service for fellow beings and to ultimately encompass and redeem the shower of divine bliss eternal truth cooperation help and support healing and blessing eternal wisdom and eternal life and eternal bonding We believe in the presence of Lord Rama Buddha Mohammed and Jesus on heavenly earth This millennium book of proven approaches and handy tools will help in understanding straight revelations from Lord s mind gut love omnipresence and sacrosanct neo exotransleadership in order to eradicate degradation and to give space to righteousness The Creator's cosmic manifestation for the compassion DNA sequencer bases of faith will hard work and education is for the The Lordship of Christ Vern S. Poythress, 2016-06-14 Jesus Christ was not merely a human pure blooming of peace being He was not merely a famous religious teacher Jesus Christ is Lord of all This radical claim from the Bible has profound implications for every area of life for every person and every facet of society Drawing on key biblical texts Vern Poythress explores what acknowledging the authority of Christ means for the way we should think and act Unpacking how this

authority affects spheres of life such as religion politics science art education and the future Poythress helps us pursue obedience to Christ as an expression of our gratitude and devotion and our anticipation of the joy promised to us when we serve him with all of our heart Evangelical Theological Aesthetics Ryan Currie, 2025-06-03 What is beauty Hans Urs von Balthasar famously critiqued Protestantism for lacking a theology of beauty But is this critique accurate This book develops theological aesthetics from an evangelical Protestant perspective The primary dialogue partner is Balthasar but Currie also shows the development of theological aesthetics in the history of theology Currie explores the relationship of beauty and glory and the spiritual sense and the physical senses Theological aesthetics is not esoteric but profoundly shapes the believer s perception of God through faith and generates a beautiful life We Are All Philosophers John M. Frame, 2019-08-28 Everyone is a philosopher and how we live reveals what we most deeply believe If you and God were asked the same question would you both respond in the same way Are Christians right to believe what we do In We Are All Philosophers John M Frame takes seven major questions of philosophy and compares the Bible's answers with common philosophical ones What is everything made of Do I have free will Can I know the world Does God exist How shall I live What are my rights How can I be saved We Are All Philosophers carries all the marks of John Frame's books he appeals to Scripture frequently and carefully He writes elegantly and simply a byproduct of having mastered the complicated philosophical topics he surveys

Poythress, 2009-10-27 Language is not only the centerpiece of our everyday lives but it gives significance to all that we do It also reflects and reveals our all sustaining Creator whose providential governance extends to the intricacies of language Writes Vern Poythress God controls and specifies the meaning of each word not only in English but in Mandarin Chinese Hindi Italian and every other language When in our modernism or postmodernism we drop him from our account of language our words suddenly become a prison that keeps us from the truth rather than opening doors to the truth But we will use our words more wisely if we come to know God and understand him in relation to our language It is such biblically informed insights that make In the Beginning Was the Word especially valuable Words are important to us all and this book written at a level that presupposes no knowledge of linguistics develops a positive God centered view of language In his interaction with multiple disciplines Poythress offers plenty of application not just for scholars and church leaders but for any Christian thinking carefully about his speech **Chance and the Sovereignty of God** Vern S. Poythress, 2014-04-30 What if all events big and small good and bad are governed by more than just blind chance What if they are governed by God In this theologically informed and philosophically nuanced introduction to the study of probability and chance Vern Poythress argues that all events including the seemingly random or accidental fall under God's watchful gaze and are part of his eternal plan Poythress tackles questions related to everything from natural disasters to the roll of the dice explaining how God s sovereignty functions as the lens through which we study subjects such as science mathematics modern physics evolutionary biology human choice and gambling Comprehensive in its scope this book lays the theistic foundation for our scientific assumptions about the world while addressing personal questions about the meaning and significance of everyday events

Redeeming Productivity Reagan Rose,2022-10-04 Feeling overwhelmed and unproductive The answer isn t to do more What image forms in your mind when you think of productivity An assembly line Spreadsheets Business suits or workplace uniforms In the ancient world productivity didn t conjure images like these Instead it referred to crop yield and fruit bearing This agrarian imagery helps us understand productivity through a biblical lens Jesus taught By this my Father is glorified that you bear much fruit John 15 8 Who doesn t want to have a truly productive life to bear much fruit But how does this happen in the places we hold dear the home workplace and in our communities We often feel overworked and overrun defeated and discouraged The world says be productive so that you can get all you can out of this life The Bible says be productive so you

can gain more of the next life In Redeeming Productivity author Reagan Rose explores how God's glory is the purpose for which He planted us And he shows how productivity must be firmly rooted in the gospel Only through our connection to Christ the True Vine are we empowered to produce good fruit This book shows how we can maintain the vitality of that connection through simple life giving disciplines Readers will discover manageable applications like giving God the first fruits of our days Additionally Reagan discusses how our perspective on suffering is transformed as we see trials as God's pruning for greater productivity
