Redeeming Your Time Jordan Raynor, 2023-09-26 Manage your time the way Jesus managed his with a biblical antidote to swamped to do lists and hurried schedules A highly practical road map Mark Batterson New York Times bestselling author and lead pastor of National Community Church Despite the overwhelming amount of resources for time management and work life balance the ability to cultivate the efficiency and equilibrium needed to manage all our worthy pursuits can often feel frustratingly out of reach The reason for our struggle is that productivity and time management systems focus on individual habits rather than more meaningful and lasting lifestyle changes But as it turns out there is a better way to reach our full potential We don't need just another approach to changing our habits What we need is an operating system that takes into account the full scope of our lives In these pages bestselling author Jordan Raynor presents this system using seven powerful time management principles drawn from the example of how Jesus lived 1 Start with the Word Find meaningful connection with the author of time daily 2 Let Your Yes Be Yes Accept only the commitments you can fulfill 3 Dissent from the Kingdom of Noise Create room for silence stillness and reflection 4 Prioritize Your Yeses Confidently maintain your commitments 5 Accept Your Unipresence Focus on one important thing at a time 6 Embrace Productive Rest Live the God designed rhythms of rest which are productive for our goals and souls 7 Eliminate All Hurry Embrace productive busyness while ruthlessly eliminating hurry from our lives With these principles you'll see how Jesus managed his time on earth and how he responded to human constraints much like the ones you face today More than that you'll discover corresponding practices that will help you embrace the best most Christlike version of yourself possible purposeful present and wildly productive

"The" British Burma Gazetteer, 1879 **MYSTERY OF ALTARS** ISAIAH MACWEALTH, As we will see in this book an altar is a technology for communicating and teleporting between two realms It is a mystery that is replete all over the scriptures from Genesis to Revelation Before the Law the revelation of altars existed and in the Law altars existed We also see altars in the New Testament and even in the Book of Revelation The revelation of altars is thus key to spiritual power and this is why the people of the occult world and the kingdom of Satan do not joke with it Unfortunately the church that should be the custodian of the revelation of altars has since lost its principles Churches now have stages instead of altars This is sad In the past kings and other great leaders revered the church It was the Queen of Scotland that said I fear the prayers of John Knox more than all the assembled armies of Europe Where is the Lord God of Elijah who fought the prophets of Baal after repairing the altar of God Where is the Lord God of Moses who brought Israel out of Egypt and parted the Red Sea Where is the God of Joshua who caused time to stand still As a church and as individuals if we would see the power of God as of old we must learn again the principle of altars We must set our hearts to understand sacrifice the blood of Jesus and the power of prayer We must understand how to set up an altar and learn how to shut and open portals in the realm of the spirit through the technology of altars We must also learn how to legalize and criminalize altars and how to

furnish our altars with blood We must not be ignorant of the impact of family altars and the altars through which we are attacked as the Body of Christ We must align our heart altar with heaven s altar to bring heaven s power to the earth as only the power of God can do the work of God In this book I will share with you many deep secrets many of which will be new to you I advise you to take time to meditate and research for yourself The Lord has trusted me with so much revelation for our day and not only have I taught these I have seen the results and testimonies abound This is why in the appendix of this book I have shared testimonies from some of the people who have practiced the revelation published in this book because the results cannot lie I pray for you that as you read you will receive insights by the power of the Holy Ghost God bless you
