Walker,2002-11-05 This timely study analyses the seventeenth century revival of monasticism by English women who founded convents in France and the Low Countries Examining the nuns membership of both the English Catholic community and the continental Catholic Church it argues that despite strict monastic enclosure and exile they nevertheless engaged actively in the spiritual and political controversies of their day The book will add much to our understanding of women's power in early modern Europe and offer an insight into a previously ignored section of English society      Dictionary Catalog of the William Andrews Clark Memorial Library William Andrews Clark Memorial Library,1974      **The Racing Calendar for 1856** R. Shakespeare's Workplace Andrew Gurr,2017-10-19 Shakespeare was easily the most inventive writer using the English language His plays give us intricacies of vocabulary and usage that have enriched us immeasurably This book provides a series of analytical essays on the marginalia relating to the plays Each of them is a searching and authoritative account packed with details of some of the more peculiar conditions under which Shakespeare and his peers composed their playbooks Among the essays are two completely new contributions Altogether they reveal fresh details about the input of the playing companies playhouses individual players and even their controller the Revels Office to the complex fragments that we now have of the Shakespearean world Gurr examines Shakespeare's own choice between playwriting and poetry the requirements of working in a playhouse that wraps itself around the stage and its impact on the creation of such figures as Henry V Shylock Isabella King Lear and Coriolanus      **Guilty Pleasures** Hugh McIntosh,2018-09-24 Guilty pleasures in one's reading habits are nothing new Late nineteenth century American literary culture even championed the idea that popular novels need not be great Best selling novels arrived in the public sphere as at once beloved and contested objects an ambivalence that reflected and informed America's cultural insecurity This became a matter of nationhood as well as aesthetics the amateurism of popular narratives resonated with the discourse of new nationhood In *Guilty Pleasures* Hugh McIntosh examines reactions to best selling fiction in the United States from 1850 to 1920 including reader response to such best sellers as *Uncle Tom's Cabin* *Ben Hur* and *Trilby* as well as fictional representations from Trollope to Baldwin of American culture's lack of artistic greatness Drawing on a transatlantic archive of contemporary criticism urban display parody and advertising *Guilty Pleasures* thoroughly documents how the conflicted attitude toward popular novels shaped these ephemeral modes of response Paying close attention to this material history of novel reading McIntosh reveals how

popular fiction's unique status as socially saturating and aesthetically questionable inspired public reflection on what it meant to belong to a flawed national community

**Biography of Harriet Beecher Stowe** Nicky Huys, 2025-04-20

Biography of Harriet Beecher Stowe delves into the life and legacy of one of America's most influential writers and social activists. Best known for her groundbreaking novel *Uncle Tom's Cabin*, Stowe played a pivotal role in shaping public opinion on slavery and promoting the abolitionist movement. The biography explores her early life in a prominent New England family, her deep religious convictions, and her relentless advocacy for social justice. Through detailed accounts of her personal struggles and triumphs, readers will gain insight into Stowe's character, her relationships with key figures of her time, and the impact of her literary work on American society. This engaging narrative not only highlights Stowe's contributions to literature but also examines her role as a mother, wife, and activist, making her story a vital part of American history and literature.

*Franciscan Writings* Dawn M. Nothwehr, OSF, 2023-05-18 This book explains key Franciscan values and a hope-filled vision of peace, justice, and sustainability for all of creation. Dawn M. Nothwehr engages with a wide variety of topics such as ecological sin, environmental destruction, a positive Franciscan soteriological path forward, practical tools necessary for conversion, planet healing actions, and life-sustaining changes. Part 1 includes two chapters on the Old and New Testament texts frequently utilized by St. Francis and St. Clare that uphold values essential for Franciscan ecotheology. Part 2 features a chapter on St. Francis and one on St. Clare, mapping the distinct major landmarks of their vernacular theologies on creation care. The two chapters of Part 3 first outline the formal Franciscan theology and spirituality of St. Bonaventure of Bagnoregio before diving into the Christology and ethics of Blessed John Duns Scotus. In four chapters, Part 4 focuses on major ecological issues with an interdisciplinary approach considering current science, Franciscan theology, ethics, spirituality, and praxis. Designed for classroom use, each chapter includes a wide variety of pedagogical features: primary texts, reflection and application questions for reflection and discussion, suggestions for action, a short prayer, and suggestions for further study.

The Wizard's Illusion Katherine Abetz, 2022-05-16 In a world of increasingly strident identity politics, a theological approach claiming no more than the outworking of subjectivist sentiment offers no remedy. What if a key factor in this predicament is a misrepresentation of the operation of metaphor? This acknowledged building block of language looks set to become a mere component of the wearer's spectacles. The consequences for theology, philosophy, literature, and even the sciences are yet to be charted. This book takes readers on a journey to the Land of Oz and asks whether our culture, while discarding past errors, can reconnect with the spiritual bonds that underpin language, truth, in its various forms, and identity. Companions on the road are Dorothy and her friends, Sallie McFague, and the Wizard, Paul Ricœur, and C. S. Lewis, and others.
