Washington Redskins David Elfin, 2011 Washington Redskins, 1994 **The Basketball Draft Fact Book** Robert D. Bradley, 2013-05-02 On June 2nd 1947 the Basketball Association of America BAA and the National Basketball League NBL held the first college basketball draft in the history of the sport The two leagues selected a combined 100 college seniors including future Hall of Famers Harry Gallatin Andy Phillip and Jim Pollard Since then over 9 000 draft choices have been made by the major professional basketball leagues The Basketball Draft Fact Book is the first detailed and comprehensive listing of all professional basketball drafts in the history of the sport from the first draft in 1947 to the present In The Basketball Draft Fact Book each season s draft is summarized noting significant events and circumstances pertinent to that year and providing insight into the unique conditions and notable players involved Following the summary is a complete list of all players drafted that season This book includes not only the NBA but the American Basketball League American Basketball Association and the Women s National Basketball Association as well Additional sections cover expansion and dispersal drafts international players selected in the draft the processes used to determine the order of the drafts the impact of trades and more The Basketball Draft Fact Book provides an authoritative history of basketball drafts in the U S with more complete and accurate information than any other source Containing corrections to hundreds of errors in the draft information currently available this volume is a valuable resource for basketball fans historians writers and researchers

Complete Guide to Football, Basketball & Hockey Memorabilia Mark K. Larson, 1995 Accurate prices in up to three grades of preservation for NFL NBA and NHL collectibles can now be yours in this one definitive reference Make your best deal with the inside information and collecting hints in this valuable resource From autographs to uniforms equipment yearbooks media guides periodicals schedules press pins and more you will be armed with the information you need to succeed in today s thriving sports memorabilia marketplace Key auction results bring you actual prices realised to keep you ahead of the pack **The Great Book of Washington DC Sports Lists** Len Shapiro, Andy Pollin, 2008-12-16 Sports talk in America has evolved from small time barroom banter into a major media smorgasbord that runs 24 7 on TV and radio With hundreds of billions of dollars generated annually by pro and college teams in major markets nationwide sports fans across the country are more dedicated than ever to their teams And when it comes to sports talk especially all sports radio it s all about entertainment information prognostication analysis rankings and endless discussion Prominent sports media figures in each of the three target cities Cleveland Detroit and Washington D C engage in this phenomenon with a compilation of sports lists sure to delight as well as stir up debate within these already buzzing sports communities List topics include What were the most lopsided trades in local sports history Who were the most overrated athletes to play in our town What local athlete had the best appearance in TV or film What was the most heartbreaking loss in local sports history What was the greatest single play in local sports history Who are our team s most hated rivals Plus dozens of guest lists contributed by famous local

sports and entertainment celebrities Following each of the four major pro sports teams the Redskins NFL the Capitals NHL the Nationals MLB and the Wizards NBA plus prominent college sports programs such as Georgetown and Maryland D C s fans have a vast array of choices and Andy Pollin and Leonard Shapiro are the guys who help sort them out **Athletes**

Remembered Mario Longoria,1997 In the first guide ever written about Hispanic professional football players Mario Longoria profiles all the important Mexicano Latino athletes providing valuable biographical information and photographs as well as a lively account of the career highlights of each player The author recaptures the excitement of play by play descriptions of crucial games in which these Latino gridiron heroes played central roles In addition he provides a summary of Hispanic players contributions in college all star and bowl games and comprehensive lists of Hispanic players drafted by pro teams and those who appeared on pro football rosters Longoria worked closely with the players coaches managers and public relations directors of NFL teams to compile the information in this book A much needed addition to sports history **Athletes Remembered** saves these unsung heroes from undeserved obscurity Mario Longoria lives in San Antonio Texas **Latinos**

in American Football Mario Longoria,Jorge Iber,2020-03-06 In 1927 Cuban national Ignacio S Molinet was recruited to play with the Frankford Yellow Jackets of the old NFL for a single season Mexican national Jose Martinez Zorrilla achieved 1932 All American honors These are the beginnings of the Latino experience in American Football which continues amidst a remarkable and diversified setting of Hispanic nationalities and ethnic groups This history of Latinos in American Football dispels the myths that baseball boxing and soccer are the chosen and competent sports for Spanish surname athletes The book documents their fascination for the sport that initially denied their participation but that could not discourage their determination to master the game **Redskins** C. Richard King,2019-03-01 The Washington Redskins franchise remains one of the most valuable in professional sports in part because of its easily recognizable popular and profitable brand And yet

redskins is a derogatory name for American Indians Prominent journalists politicians and former players have publicly spoken out against the use of Redskins as the name of the team The number of grassroots campaigns to change the name has risen in recent years despite the current team owner s assertion that the team will never do so The NFL for its part actively defends the name and supports it in court Redskins Insult and Brand examines how the ongoing struggle over the team name raises important questions about how white Americans perceive American Indians about the cultural power of consumer brands and about continuing obstacles to inclusion and equality C Richard King examines the history of the team s name the evolution of the term redskin and the various ways in which people both support and oppose its use today King s hard hitting approach to the team s logo and mascot exposes the disturbing history of a moniker s association with the NFL a multibillion dollar entity that accepts public funds as well as popular attitudes toward Native Americans today **Compendium of**

Professional Basketball Robert Bradley,1999 **Placekicking in the NFL** Rick Gonsalves,2013-12-03 NFL placekicking has an extensive history from the early days of the dropkick to the placekick to kicking barefoot to soccer style kicking Each

season approximately 30 percent of all games in pro football are won by field goals Field goals and extra points account for 20 percent of the league's yearly total points This book discusses all aspects of NFL placekicking in historical perspective the effectiveness of different kicking styles the use of artificial turf and the development of domed stadiums as they relate to placekicking accuracy individual kickers who helped to change the way a football is kicked the mental aspects of the skill so vital to a kicker's success the development of the square toe kicking shoe used by straight on kickers to make better contact with the ball changes in goal posts and the shape of the ball and the fine points of centering blocking and holding for the kicker George Allen Michael Richman, 2023-11 George Allen was a fascinating and eccentric figure in the world of football coaching His remarkable career spanned six decades from the late 1940s until his sudden death in 1990 at the age of seventy three Although he never won a Super Bowl he never had a losing season as an NFL head coach and was inducted into the Pro Football Hall of Fame in 2002 In George Allen A Football Life Mike Richman captures the life and accomplishments of one of the most successful NFL coaches of all time and one of the greatest innovators in the game A player's coach Allen was a tremendous motivator and game strategist as well as a defensive mastermind and is credited with making special teams a critical focus in an era in which they were an afterthought He had a keen eye for talent and pulled off masterful trades often for veteran players who were viewed to be past their prime who then had great seasons and made his teams much better In addition to his coaching feats Allen had an idiosyncratic and controversial personality His life revolved around football 24/7 One of his quirks was to minimize chewing time by consuming soft foods giving himself more time to prepare for games and study opponents He lived and breathed football he compared losing to death Allen had contentious relationships with the owners of the two NFL teams for which he was the head coach the Washington Redskins and Los Angeles Rams Richman explores why he was fired by those teams and whether he was blackballed from coaching again in the NFL Based on detailed research and interviews with family former players and coaches George Allen is the definitive biography of the football coach who lived to win loved a good challenge and left a lasting legacy on pro football history

Native Americans and Sport in North America C. King, 2007-11-07 This text offers a considerate and critical account of the Native American sporting experience It challenges popular images of indigenous athletes and athletics exploring social categories particularly gender and race and their implications

Fifth Quarter Jennifer Allen, 2001-01-16 George Allen was a top ranked NFL coach throughout the sixties and seventies coaching in turn the Chicago Bears the Los Angeles Rams and the Washington Redskins Raised in a home dominated by her three football obsessed older brothers and her father's relentless schedule Jennifer Allen came of age in a cauldron of testosterone and win at all costs mentality Buffeted by the coach's tumultuous firings and hirings the Allen family was periodically propelled to new teams in new cities And while her French Tunisian mother attempted to teach Jennifer proper feminine etiquette the author dreamed of being the first female quarterback in the NFL But as she grew up she yearned mostly to be someone her father would notice In a macho world

where only foot ball mattered what could she strive for Who could she become Allen has written a poignant memoir of the father she tried so hard to know about a family life that was willfully sacrificed to his endless fanatical pursuit of the Super Bowl What emerges is a fascinating and singular behind the scenes look at professional football and a memorable bittersweet portrait of a father and his daughter written in a fresh and perceptive voice [The Redskins Encyclopedia](#) Michael Richman,2009-08-21 Hail to the Redskins and Redskin mania have consumed the nation s capital since 1937 the Redskins fist year in Washington And the fervor remains as strong if not stronger today Amply illustrated with 200 photos of players coaches and fans The Redskins Encyclopedia recounts the franchise s first 75 seasons reliving the great and not so great moments in the team s storied history and the men who helped make Sundays memorable Fans will read about Coaches like George Allen the eccentric passionate man who left a legacy as an NFL pioneer and Joe Gibbs who formed a D Y N A S T Y Players like star running back and all time Redskins ground gainer John Riggins who once told Supreme Court Justice Sandra Day O Connor to loosen up Sandy baby and Doug Williams the first black quarterback to win a Super Bowl and Super Bowl MVP honors The franchise s golden run of four Super Bowl appearances and three wins in the 1980s and early 1990s The legendary Redskins Cowboys rivalry A year by year history of the team from 1932 to the present with stats from each season Individual profiles of more than 100 Redskins players from Sammy Baugh to Darrell Green to Art Monk to Sonny Jurgensen to Charley Taylor to Joe Theismann With an unparalleled collection of anecdotes quotes trivia and hard to find information The Redskins Encyclopedia is a must have book for any fan who has ever bled burgundy and gold **Guide to Football Literature** Anton Grobani,1975 **Whatever It Takes** Daniel Kelly,2013-04-23 His dream was football Since he was eight years old author Daniel Kelly was a fan in every sense of the word Every Sunday revolved around the game He ate breathed and lived for the game that he loved He was even able to meet his favorite team and get autographs and pictures taken with many of his heroes Over the years his passion and obsession continued to grow Then on his seventeenth birthday he was given a book that forever changed his life It was a book about scouting He couldn t put it down He thought this is what I want to be I want to be an NFL scout He began recording college football games off of television and he d race through his homework to practice writing scouting reports When the rest of his high school typing class was working on their assignments he was sitting in the back of the class typing up his scouting reports He was so hoping his hard work might land him an internship but nothing happened Yet he did not give up He graduated from high school but soon after dropped out of a small community college He went to work for different companies businesses and industries but he could not deny football was still in his blood He finally realized he had to go for it he just had to give his dream one last chance So he put together a plan to do something that had never been done before But would it work this time Find out how he pursued his childhood dream and became part of the NFL in **Whatever it Takes** **The League** John Eisenberg,2018-10-09 The epic tale of the five owners who shepherded the NFL through its tumultuous early decades and built the most popular sport in America The

National Football League is a towering distinctly American colossus spewing out 14 billion in annual revenue But it was not always a success In *The League* John Eisenberg focuses on the pioneering sportsmen who kept the league alive in the 1920s 1930s and 1940s when its challenges were many and its survival was not guaranteed At the time college football baseball boxing and horseracing dominated America s sports scene Art Rooney George Halas Tim Mara George Preston Marshall and Bert Bell believed in pro football when few others did and ultimately succeeded only because at critical junctures each sacrificed the short term success of his team for the longer term good of the league At once a history of a sport and a remarkable story of business ingenuity *The League* is an essential read for any fan of our true national pastime

The Sports Strategist Irving Rein, Ben Shields, Adam Grossman, 2015 The sports industry is more complex than ever before and succeeding within it now requires an equally dynamic approach Teams and leagues across many sports face unprecedented competition in worldwide markets as the cost of doing business increases and traditional revenue streams face pressure In light of these changes the idea that winning championships is the key to organizational success is misguided *The Sports Strategist: Developing Leaders for a High Performance Industry* reveals which areas in the industry unlike winning can be controlled and maximized for consistent success Aspiring leaders in the sports business will learn how to design identities manage narratives and maximize new technologies in order to implement business analytics and build public support These techniques are vital to creating a successful sports organization that is ready to reap the benefits of winning when it does happen without having to rely on it when it doesn t In such a high performance field the demand for well equipped leaders is great and *The Sports Strategist* provides the necessary tools and techniques for their success

Contemporary Sport Management, 5E Pedersen, Paul M., Thibault, Lucie, 2014-06-18 *Contemporary Sport Management Fifth* provides students with an overview of sport management by presenting extensive discussions of the foundational aspects of the profession and current topics from the field The fifth edition continues to engage students with a full color format and an integrated web study guide The text also discusses the role of social media in revolutionizing the industry and the significance of sport as an international institution Students will learn the relevance of legal sociocultural historical political and psychological concepts to the management of sport the professional skills and attitudes of successful sport managers and ways in which the globalization of sport continues to affect sport management professions

Sports Talk Radio Is a Waste of Time (And so Is This Book) Tim Holland, 2010-10-13 A fun common sense approach to sports from the perspective of someone who LOVES it and wants it to be BETTER than it already is for everyone young and old Written in hopes of bringing people together to discuss sports topics past present fun and serious If you decide to read it I can assure you that it will make you think whether you agree or disagree with what is written I hope that you find a chapter or two in which you DON T agree with me or the book wasn t worth writing Most important I hope you have fun reading this book learn something from it and come away with thoughts of your own which I would like to hear Enjoy
