

Effect of Acculturative Stress 4

hinder the easy transition of international students still remain unchanged.

An international student's experience of transition from high school to college is complex and multifaceted. Several authors have attempted to study the nature of psychological problems of international students. One such author is Yue Zhang. In her studies, she notes that acculturative stress, perceived social support and depression are higher among Asian international students. English language competency significantly affects acculturative stress level (Zhang, 2012). Homesickness is another major factor that contributes to this hardship. The loss of emotional and social support systems due to separation from significant others, cultural and language barriers are responsible for the loneliness of international students. In addition to achieving their educational and personal goals, international students also feel obliged to hold on to their cultural roots. "International students deal with a lot of stressors in addition to academic pressure. One major thing is the burden to fit in. Social acceptance for an international student is like food and water for a human. Counselling sessions help alleviate stress and anxiety, but the lack of understanding and awareness among people hinders the smooth transition from high school to college," says Rahul Bangal (2017), a sophomore at University of Indiana. Kartik Sharma (2017), a freshman pursuing computer engineering says, "The hardest thing for me to adjust to was not being able to play football every day. Along with this, I find adjusting to the change in food and meal times very hard."

International students also face sociocultural challenges. Arriving from another country, they face problems even in their daily lives and are exposed to a different reality. The first thing they have to deal with is learning to survive in a new community. Perceptions of academic stress and coping strategies might differ across countries, but having a support system helps make any transition easier. However, for international students, there is rarely something they can call a
