Dear Mr. Green:

I am the parent of John Blue, who is currently enrolled at the Regular Elementary School in the fifth grade. My child has not been doing well in school and I am concerned about his educational progress.

I am writing to make a referral for assessment for special education services for John, as required by 5-C.C.R. Sec. 3021(a). He may be eligible for special education assistance. I am requesting that John be given a comprehensive assessment by the school district and that an IEP meeting be scheduled for him. [Optional: As part of the assessment process, I also request that my child be assessed under Section 504 of the Rehabilitation Act of 1973 to determine whether he should be identified as "handicapped" pursuant to that law and to determine what, if any, accommodations might be required in his educational program in the event that he does not qualify for special education services or in addition to special education services. This is also to request that the Unified School District's Section 504 Coordinator be present at the IEP meeting to discuss the results and recommendations of the Section 504 assessment.]

I look forward to receiving an assessment plan within 15 days. If you have any questions, please feel free to contact me. Thank you for your cooperation and assistance.

Sincerely,

Bob Blue

Professional Communication in Speech-Language Pathology A. Embry Burrus, Laura B. Willis, 2020-05-20 In *Professional Communication in Speech Language Pathology How to Write Talk and Act Like a Clinician* Fourth Edition the authors introduce student clinicians to the various types of written and verbal communication they will encounter across three different clinical settings: university clinics, medical settings, and public schools. The text is written in a student-friendly manner with appendices that provide examples of diagnostic and treatment reports, data sheets, and important acronyms in medical and school settings. Chapters cover verbal interactions with families, allied professionals, and supervisors, as well as written and verbal communication across the university, medical, and school settings. Also included are scenarios written in the form of vignettes that address issues of ethics, interviewing, and procedures for managing protected health information. New to the Fourth Edition: New pedagogical features, chapter learning outcomes, and reflection questions. References and content updated throughout to reflect the current state of research and evidence-based practice. Updated information regarding current requirements and policies for written documentation. Expanded information regarding HIPAA and the ASHA Code of Ethics. Expanded content regarding interacting with supervisors and generational differences. Material on methods for improving writing and editing. Numerous additional examples to further clarify the content and portions reorganized for greater flow of information. Content has been edited to be more concise and reader-friendly. Disclaimer: Please note that ancillary content such as documents, audio, and video, etc., may not be included as published in the original print version of this book.
