and deposited her in Madame Chambon's exclusive brothel. There Faith was to learn how to entrance London's noble gentlemen with her learning in philosophy, politics, and art. Her body was to be saved for the greatest enticement of all: revenge. Faith doesn't care what she has to do. She lives only to fulfill a bargain that will set her free. But when Faith is recruited as the muse of a talented, sensitive painter whose victory in a prestigious art competition turns them both into celebrities overnight, she discovers the reasons behind her mission are very different from what she'd been led to believe. Now she is complicit in something dark and dangerous while riches, adulation, and freedom are hers for the taking. But what value are these if her heart has become a slave to the man she is required to destroy? What the Readers are Saying: The writer was able to get a 7-course meal into a sandwich-sized novel. It was exciting and emotional. Sexy and romantic. This is one of the most interesting stories I've read on why a girl might become an escort. The twists and turns are breathtaking. I couldn't put this down. Oh my. This story just makes you fall in love. It's exciting. It never lags. And what a most satisfying ending.

Keeping Faith Beverley Oakley, 2021-07-28. Revenge is sweet until it breaks your heart. Falsely accused of stealing, Faith is given two choices: fend for herself on the streets of London or become indentured to Madame Chambon, the ruthless proprietor of London's most exclusive brothel. In order to survive, Faith submits to the machinations of a mysterious benefactress and begins a new life under Madame Chambon's roof. However, she does not live like the other girls. Rather, she's taught the theory of how to entrance London's noble gentlemen with her learning in philosophy, politics, and art. Her body is to be saved for the greatest enticement of all: revenge. Faith doesn't care what she has to do. She lives only to fulfill a bargain that will set her free. But when Faith is recruited as the muse of a talented, sensitive painter whose victory in a prestigious art competition turns them both into celebrities overnight, she discovers the reasons behind her mission are very different from what she'd been led to believe. Now she is complicit in something dark and dangerous while riches, adulation, and freedom are hers for the taking. But what value are these if her heart has become a slave to the honorable man she is required to destroy? *Keeping Faith* is book 3 in the Fair Cyprians of London series but can be read as a stand-alone. Here's what the readers say: A well-written story with realistic characters. The plot is engaging with plenty of twists and turns. It really pulls you into the book quickly and completely. Thank you for completely following this story through all of the twists and turns until it reached its natural conclusion. Engaging and charming with involved plot and romance which is to be savored as are all of this writer's works in my view. A heartfelt sizzling Victorian romance with a note of redemption that'll please even the cynics.
