**1776 Rewind** Hassan Bartley (Sonny B.), 2022-08-18 Do you like where the United States of America is headed If your answer is yes it s because the information war and cancel culture has kept you in the dark about the rampant corruption destroying our country In this book the author reveals how identity politics is destroying the foundation of our Constitution He answers questions such as How does the mainstream media trick so many people into believing falsehoods What can our forefathers and the Constitution teach us about battling tyranny Why have politicians been able to sell out the country to the highest bidders What steps must we take to fix the corrupt deep state system The author once thought elected officials were tending to our nation honestly but careful observation showed him that they are doing the opposite Take a stand for freedom ask the right questions and consider how to change the trajectory of our nation with the letters poems and insights in 1776 Rewind Look to a Nation By Sonny B The Civil War was a war between brothers Who bled on both sides For a cause that should ve since long died So I say leave the monuments For the world to see As a reminder of what happens when we disagree In hopes to learn not to repeat history Blacks fought in this war It could land them back with the slave master Knew if they lost the war It would be a monumental disaster Police brutality no I don t condone But reality is I m more likely to be murdered by my own Police brutality so loud we can t hear the sound Of Black on Black blood cryin out from the ground Why no outrage when we kill each other Is it because the media sees it as ok to kill your brother Naw that just don t fit the bill A black man taken down by a white man Yeah that s more of a thrill So you censor my voice and agree with another While you recklessly divide a nation of all colors All lives do matter black white yellow and red We are all God s children so can we put this issue to bed We say the justice system is broken And Blacks get more time The fix is simple Just don t do the crime Am I the only Black man that can see this We getting sold out by Judas kiss Will somebody define racism PLEASE Media tryin to infect our minds with a sick disease Are you tellin me we re worse off in the future And our pain compares to Dr Luther Wake up my brother before it s too late Before we destroy the whole human race Can we admit there are issues on all sides Let s band together so this nation can truly thrive Take a slave out of chains and out of the cotton fields Tell a man he s a victim and watch what it yields Anger rage now he s back in a cage Imprisoned in his mind only to be enslaved Kaepernick LeBron James oh yeah and Kyrie too We pander to these three And dare me to disagree If I disagree I will have to pay Or give an apology on the very next day I used to get away from fake news by watching ESPN Now politics in sports have become the new trend Is that equality Seems one sided to me And this is what we callin free speech You kneel to the flag You disrespect the Anthem White lives died black lives died We all had a loss And before you made your millions It came at a cost If we could remain as a child So innocent so mild Pure in heart without ever being defiled Go ahead ask a child what do you see I only see a person that s a friend of me Look again don t you see his color No I see a person that s like a brother The Good Book tells us There s nothing new under the sun Everything we see today has already been done So love your neighbor as yourself

specifically for homosexuals Finally I began to pray deeper into the situation until I found myself lost in prayer Everything in the natural realm around me grew dim as my spiritual senses were heightened I knew that I was going into another room in the spirit Then something very frightening happened that Ill never forget as long as I live I became one of them the very ones for whom I was praying It seemed inconceivable but I knew that it was real as I began to think and feel just like a homosexual The way I saw things were no longer through my own eyes but through the eyes of a homosexual It was a terrifying reality that I had now become someone that Id never been before As the door to this room was shut behind me I wanted to scream I desperately wanted to run and quickly get out but the Lord had other plans As a homosexual initially I did not think of myself any differently than anyone else The thought never occurred to me that my lifestyle was abnormal until I began to hear voices in the air These voices were all around me declaring the love of God and the truth of His Word I listened very intently At the outset the truth seemed as though it was piercing through my soul like a sharp arrow but soon it melted into my spirit like a soothing salve Although my mind wanted to resist I knew deep within my heart that the things that I heard were true As I kept listening I began to understand Gods message to me The picture became clearer and clearer Then the reality suddenly hit me I WAS NOT BORN THIS WAY Somehow I knew that the sexual lifestyle that I had chosen was perverted and displeasing to the God who created me He is pure holy and all righteous He wondrously made me as a precious vessel of great value in His sight He is the Creator of every beautiful thing upon the earth and He has never made a mistake As the truth continued to penetrate my heart I became utterly appalled because I realized that I had been deceived all this time by the great Deceiver Satan himself Finally I knew that I had to make some changes I made no excuses I was ready to do the will of God So for the very first time I began my pursuit to break free from this repulsive lifestyle When I took the first step forward to break free I remember trying to move my arm but could not Then I tried to move my legs but it was as though I was completely paralyzed Finally I looked down at myself and was absolutely shocked My body was totally confined in a mummy like wrapping of thick chains extending from my neck to my feet This wrapping about my body prohibited me from moving any part of my body I felt like a helpless prisoner trapped in my own body No matter what I tried to do I could not break free I did everything that I could think of but it was to no avail It was as though someone had locked me up and thrown away the key The terror that I felt in my heart at that moment was like an indescribable nightmare While in this room of intercession it seemed as though I had been squirming under the mummy wrap for days upon days trying to get out Although I had a desire to be free I could not get out My head was the only part of my body that was mobile I just couldnt understand why I could not get out As I continued to squirm and try to twist my way out I began to feel great pressure in my mind The tremendous frustration and unrest within me intensified as I kept trying to free myself from this entrapment of horror It seemed as though everything was
