Kenner, 2016-02-02 New York Times bestselling author J Kenner follows up her breathtaking

Stark Trilogy with three sizzling standalone novels featuring unforgettable alpha males and the seductive games they play. This is the series that led RT Book Reviews to proclaim Kenner may very well have cornered the market on sinfully attractive dominant antiheroes and the women who swoon for them. Now all three installments are available in one addictive ebook bundle **WANTED**. He is everything I crave, all I desperately want, and he is everything I can't have. Evan Black embodies my every fantasy. He is brilliant, fierce, and devastatingly handsome. But he is also headstrong, dangerous, and burdened with secrets. My family warned me to stay away that I could never handle Evan's dark dealings or scarred past. Maybe I should have listened. Maybe I should have run. But our desire is undeniable, and some temptations you just can't fight. And from the moment we touch, the passion between us consumes us both. I know that I will never be the same. **HEATED**. I knew better than to risk my heart. But fierce passion comes at a high price. I grew up believing in right and wrong, good and evil, black and white. I knew better than to trust. And then I met Tyler Sharp. Bold, charming, and dangerously sexy. Tyler always gets what he wants. But his smile can be deceiving, his dealings sordid, his ambitions ruthless. I thought I was the one woman strong enough to resist him, but our need for each other was too urgent to deny. One look, and I was in trouble. One touch, and I was hooked. One night, and I became his. And now that I've fallen, there's no going back. **IGNITED**. He promised to take me as far as I could go, and I wanted to go to the edge. My whole life has been a cover, a con, a lie. I was born into the grift, raised on the thrill of playing someone I'm not. As a rule, I never let anyone get too close until Cole August makes it impossible for me to stay away. Cole is tough, sexy, and intensely loyal, yet his secrets are dark, and his scars run deep. Not many women can handle his past or the truth behind his fierce demands. But something about him beckons me, and our desire is a game I must play. I know he's dangerous, that even his touch is trouble, but what is passion without a little risk? Praise for the *Most Wanted* series. *Wanted* is another J. Kenner masterpiece. This was an intriguing look at self-discovery and forbidden love, all wrapped into a neat little action-suspense package. There was plenty of sexual tension, and eventually, action. Evan was hot, hot, hot. Together, they were combustible. But can we expect anything less from J. Kenner? Reading Haven: A steamy story with a dark edge. Recommended for those seeking crime drama with spice. Library Journal on *Heated*: Kenner's characters, scorching scandalous affair, explores the very nature of attraction and desire, redeeming and changing them beyond measure. RT Book Reviews on *Heated*: Ignited delivers both scorching hot scenes along with the evolution and unpeeling of emotional barriers built by past dark secrets. Moreover, the characters are complex, the passion is intense, and the ultimate message that love can heal all is inspiring. The Romance Reviews gives five stars. The *Most Wanted* series is intended for mature audiences. [Release Me](#). J. Kenner, 2013-01-01. **NATIONAL BESTSELLER**.
