SALEM'S LOT

Salem Lot is a small New England town in a sleepy village is consumed by evil forces of people, darkness, and an insidious force. Of course all in the name of power and money. When darkness is at its peak, people are at their best. But no one knows the truth of the town.

After a devastating earthquake, the town of Salem Lot is a small town. It is a town where the town is a small town. It is a town where the town is a small town. It is a town where the town is a small town.
