Peterson, 2024-06-17 The doctrine of believers union with Christ has undergone a renaissance in recent years Evangelicals are rightly fascinated by this previously neglected doctrine a doctrine with wide ranging implications for the whole of Christian theology and the Christian life Drawing on his extensive teaching and research experience theologian Robert Peterson has written one of the most comprehensive theological treatments of union with Christ to date highlighting the Spirit s crucial role in uniting God to his people **Union with Christ** Sung Rual Choi, 2023-11-13 Understanding union with Christ as a frame of thought as a motif or theme is important for accessing Calvin s theology While the union with Christ doctrine arises when Calvin explains the doctrine itself directly especially in light of soteriology the strong presence of this motif union with Christ union with the Triune God indicates its pervasiveness when other doctrines or theological themes are explained as well This book suggests that we approach the notion of union of Christ as a theological frame of thought that touches on most of the doctrines and theological themes of Calvin s theology This book deals with union with Christ as a motif or theme rather than as a doctrine Thomas Goodwin on Union with Christ Jonathan M. Carter, 2022-04-21 Thomas Goodwin has been described as the forgotten man of English theology and though known by some as a pioneer of congregationalism and a prominent member of the Westminster Assembly the true significance and scope of his life s work has only recently been discovered Historical reassessment has uncovered that the majority of Goodwin s treatises were intended to form a grand project defending Reformed soteriology in the 1650s against new threats as well as traditional opponents Examining Goodwin s notion of union with Christ in relation to mystical indwelling transformation justification and participation this study demonstrates the central role of union with Christ in Goodwin s soteriology The application of salvation he contended must be founded on real union with Christ i e mystical union forged by Christ s indwelling in order to advance a trinitarian federal high Reformed soteriology in which redemption from sin is set within a Reformed scheme of Christocentric deification This in depth analysis makes a fresh contribution to recent controversy over union with Christ in the post Reformation period **Reformed Systematic Theology, Volume 3** Joel Beeke, Paul M. Smalley, 2021-12-01 Here is catechesis at its best instructing the student of theology providing pastors with a sermon enriching manual and giving growing Christians a resource book that will both inform and nourish them as well as provide endless theological enjoyment Sinclair B Ferguson Chancellor s Professor of Systematic Theology Reformed Theological Seminary Teaching Fellow Ligonier

Ministries The aim of systematic theology is to engage not only the head but also the heart and hands Only recently has the church compartmentalized these aspects of life separating the academic discipline of theology from the spiritual disciplines of faith and obedience This multivolume work brings together rigorous historical and theological scholarship with spiritual disciplines and practical insights characterized by a simple accessible comprehensive Reformed and experiential approach In this volume Joel R Beeke and Paul M Smalley unpack the work and role of the Holy Spirit Pneumatology and salvation soteriology The authors examine the Holy Spirit s role in the history of salvation the order of salvation and the believers experience of salvation As readers consider the interrelationship between the Spirit and salvation they are invited to explore the direct activity of the Lord in their lives for their salvation *Sanctified Sexuality* Sandra Glahn,C. Campbell,2023-05-04 A clear and comprehensive commentary on Paul s Letter to the Ephesians In the latest Pillar New Testament Commentary Constantine R Campbell illuminates the Letter to the Ephesians with scholarly precision and pastoral warmth In line with the christological concerns of the letter Campbell calls special attention to its theme of union with Christ His thorough analysis covers a breadth of topics including salvation and grace the glory of God and the church and its mission Aimed at students and scholars of the Pauline letters Campbell s commentary carefully explains each verse of Ephesians with attention to historical and linguistic context Yet the commentary prioritizes imminent theological concerns and remains accessible to any serious reader of the New Testament Re-Envisioning Transformation David C.

Scott,2018-09-14 In today s church use of the term transformation has become commonplace Various perspectives are offered on what a Christian view of transformation is and on how it may be achieved These often conflicting views suggest an ecclesial landscape characterized by pluralism division fragmentation confusion relativism individualism pragmatism and subjectivism Despite the current interest in transformational theology the absence of a common coherent and integrated vision and the lack of transformation is often accepted and affirmed Re Envisioning Transformation looks at the possibility of moving toward a vision of transformational theology that is cohesive unified broad effectual and distinctly Christian In this book the contributions of two radically different theologians of the Christian life are examined This provides the basis from

which to develop a comprehensive and integrated framework of transformational theology pointing God's people toward the need to express and live out a distinctly Christian vision

**The Doctrine of the Covenant of Redemption According to John Gill (1697-1771)** Wang Yong Lee, 2025-02-11 What is the doctrine of the covenant of redemption? Why does John Gill (1697-1771), an English Baptist pastor and theologian, regard this doctrine as the kernel in his systematic theology? This book explicates how core theological doctrines in the Bible, e.g., the doctrine of God, the Trinity, Christology, and soteriology, are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill. From his long pastoral experience and over fifty years of rich writing, Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity, which is ultimately revealed by the gospel of Jesus Christ. Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved. Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ.

*Spiritual Formation for the Global Church* Ryan A. Brandt, John Frederick, 2021-10-19 The church is a global body of believers called to grow in Christ. Yet too often it privileges a few voices and ignores the practical dimensions of the faith. Offering a multi-denominational, multi-ethnic vision, this volume brings together biblical scholars, theologians, and practitioners from around the world to pursue a theology and praxis of spiritual formation for the global church.

**Christian Theology** Christopher W. Morgan, Robert A. Peterson, 2020-05-01 In *Christian Theology*, author Christopher W. Morgan presents an accessible introduction to the core areas of systematic theology, including God, revelation, humanity, sin, Christ, and his work, the church, and the future. Each chapter highlights Scripture's teaching on a topic as it unfolds in the Bible's story line, intentionally connecting readers to the doctrines with a focus on personal application and missional living.

**Toward a Priestly Christology** Adriani Milli Rodrigues, 2018-11-02 *Toward a Priestly Christology* is a constructive theology on the person and work of Christ from the standpoint of a systematic thinking about his priesthood. This priesthood is usually discussed in biblical scholarship on the Christology of Hebrews and also explored in historical or systematic theology with its connections with soteriology and ecclesiology. However, there is a scarcity of studies that attempt to systematize this topic in its basic components and their ontological foundations in order to provide conceptual clarity for a constructive discussion of the priestly Christology in systematic theology. The book makes a contribution to this discussion by engaging firstly with the main models of Christ's priesthood in Christian theology and then with a theological reading of the letter to the Hebrews. In both steps, the author conceptually articulates the priesthood in terms of need, agent, actions, and goal. Then he observes the conceptual articulation from the macro-hermeneutical point of view of ontology, especially noticing how assumptions on time and space impact the internal logic of Christ's priesthood. By using existing models of this priesthood as heuristic tools for systematic thinking, the work attempts to push Christian theology toward a more dynamic understanding of Christ's priesthood, especially regarding the relationship between the

ascended Christ and our Christian life      Biblical Spirituality Christopher W. Morgan, 2019-06-24 What is spirituality For some it means nothing more than vague self improvement pulled from the latest best selling self help book For others it refers to some generic religious practice Shedding life giving light on what often remains ill defined and unclear this book sets forth a vision of biblical spirituality a renewed sense of the momentousness of being alive in God s world as God s people are led by God s Spirit through God s Word unto godly Christlike character With careful exegetical work and theological reflection the contributors pastors and scholars such as Christopher W Morgan Paul R House Nathan A Finn and Gregg R Allison address spirituality from the perspective of the Bible exploring topics such as the Trinity divine sovereignty and human responsibility the already and not yet and the church This book also addresses practical questions about spirituality related to the workplace disciplines of the body and more      Union with Christ and the Life of Faith (Soteriology and Doxology) Fred Sanders, 2025-08-19 In this volume a top scholar in the world of evangelical theology addresses the key soteriological theme of union with Christ The book provides substantive engagement with the doctrine of participatory union including sections on the creeds Scripture the history of the doctrine constructive dogmatics and Christian praxis Its biblical point of access is Paul s theology of life in Christ understood as an invitation to a theological reading of the four gospels Special attention is given to the trinitarian structure of union with Christ This book shows students how to integrate theology into the life of faith and demonstrates how the practices of Christian worship influence theological thinking A devotional interlude directing readers to a classic hymn poem or liturgy follows each chapter The Soteriology and Doxology series consists of introductory textbooks that cover key topics in soteriology providing substantive treatments of doctrine while pointing to the setting of theology in doxology Series editors are Kent Eilers and Kyle C Strobel      *The Marrow of Certainty* Chun Tse, 2023-06-12 Assurance was a central issue for the eminent Scottish theologian pastor Thomas Boston long before it emerged as a focal point of the theological debate in the Marrow Controversy In *The Marrow of Certainty* Chun Tse presents the first full length study of Boston s theology of assurance in six dimensions trinitarian covenantal Christological soteriological ecclesiastical and sacramental This work not only furnishes the first ever intellectual biography of Boston in his Scottish context and controversies but it also cross studies the theology of the Marrow of Modern Divinity with Boston s notes This research argues that Boston s doctrine of assurance centres on union and communion with Christ the architectonic principle of his theology The book challenges the common conception that Boston s theology merely follows Calvin the Scots Confession the Marrow the Westminster Standards and Scottish federalism Boston most strikingly holds in tension assurance as intrinsic to faith itself a gift from God s sovereignty in election while insisting on self examination as a human responsibility This salient mark of his doctrine of assurance originates from his assertion that Christ died for the elect alone but all elect or not have the warrant to receive Christ As such assurance is theologically a divine gift and pastorally a human endeavour Certainty is thus both extra nos and intra nos Boston this study reveals has a potent and enduring power to

speak on the perennial issue of assurance rooted in the person of Christ whom he considers as being the covenant itself A  
*New People in Christ* Wendel Sun, 2018-07-13 What is union with Christ What role does this theme play in the Epistle to the  
 Romans Does union with Christ have an Old Testament background or did Paul create the concept for his own theological  
 purposes These questions will be answered in this exegetical study of Romans Special attention is given to Paul's use of Old  
 Testament stories in relation to union with Christ It will be shown that Paul understands union with Christ to be the climax of  
 the human story a story of creation and rebellion that includes all people regardless of ethnic or social background Those  
 who believe in Jesus as the promised Messiah experience restoration as they move from union with Adam into union with  
 Christ United to Christ the church finds unity in a new identity as a new people in Christ A *Theology for the Church* Dr.

 church believed How does it all fit together How does this doctrine impact the church today Contributions from leading

 community Included in this revision are new chapters on theological method from a missional perspective Bruce Ashford and  
 Keith Whitfield and theology of creation providence and Sabbath that engages current research in science and philosophy

 way we view the world and our place in it *The Speaking Trinity and His Worded World* explores these questions by  
 presenting all of life through the lens of language Understood as communion behavior language has its roots in God himself  
 What's more God has used language not only to create our world but to sustain and direct it Because of this biblical fact we  
 live in a place that always and everywhere reveals the trinitarian God whose speech upholds it All things speak of God by  
 revealing aspects of his character Romans 1 We live in a worded world a world that was spoken and speaks of God Thus

 is like Join the author as he walks through redemptive history and points out not only how all things can be perceived  
 through the lens of language but what this means for us practically in our use of language All *Who Love Our Blessed*
