

ART CRITIQUE

1. DESCRIPTION:

(I will take inventory. I will look, identify & describe.)

- * Name objects.
- * Describe elements of art.
- * Identify patterns (a principle of art).
- * Identify materials used (techniques too).
- * Identify genre (portrait, still life, landscape?).
- * Identify style of art.

2. FORMAL ANALYSIS:

(Discovering Relationships)

- * Find examples of unity through repetition.
- * Look for variety through contrast of shapes, lines, etc.
- * Look for center of interest (focus, eye grabber).
- * Look for balance & rhythm (principles of art).

3. INTERPRETATION:

(Figure out in meaning)

- * Use the evidence in 1. & 2. to figure out a meaning of the art for you.
- * What is the artist saying? What are your reasons?

4. EVALUATION:

(Forming a judgment)

- * Is it a quality piece of art? Why?
- * How does it compare to similar works?
- * Is the artist successful? Why?

International Journal for Digital Art History: Issue 3, 2018 Liska Surkemper, Harald Klinke, Justin Underhill, 2019-02-18 Art History is centrally concerned with a vast array of three dimensional objects such as sculptures and spaces such as architecture Digital technologies allow the creation of virtual spaces which in turn allow us to simulate and compare aspects of a visual culture s three dimensional timespace that cannot be communicated as a single still image The third issue thus focusses on the third dimension in Art History and the digital realm that continues to mediate and transform it **You Can Publish Your Journal Article** Gilbert C. Gee, 2023-11-27 You ve completed your research and want to publish it in a peer reviewed journal Author Gilbert C Gee is here to help sharing what he learned as a writer reviewer and Editor in Chief and calling on other journal editors to offer their advice You Can Publish Your Journal Article will not only help you write your paper but more importantly be more likely to succeed in peer review The book has four main premises that writing involves a relationship between you and your readers and that your research joins an ongoing conversation in the field that good writing is rewriting and revision is critical that people who write daily are more productive than those who binge write and finally that persistency wins so don t give up when you get a rejection With chapters offering practical advice

on selecting the right journal peer review the methods section displaying your data writing the results and discussion sections the book concludes with short essays from invited journal editors about how to avoid common mistakes and ensure success **San Diego Museum Papers** ,1995 **How to Write Your Life Stories** Steve Boga,2009-09-14 Do people say you should write your life stories This clear hands on approach guides you through the process of writing your personal stories so that future generations can truly know your life and times By reading your memoirs they will become intimate with your culture understand your work lifestyle travel values and beliefs and they will get to know the people you loved and lost If your stories are well written they will be fascinated by what you have to say If your life has known goals and obstacles conflict and motion you have the makings of a gripping story Discover how to Find the time to write regularly Set manageable goals Improve you writing skills Craft gripping leads Become a captivating storyteller Find a publisher for your writing Woolfian Boundaries Anna Burrells,Steve Ellis,2023-12-15 Woolfian Boundaries explores Woolf s work from perspectives beyond the boundary of her own positions and attitudes taking her coolness toward the provinces and prejudice against the regional novel Letters 6 381 as the starting point for considering her writing in the light of its own limits self declared and otherwise Chapter topics range from Woolf s connections with the Birmingham School of novelists in the 1930s to her interests in environmentalism portraiture photography and the media and her endlessly fascinating relationship with the writings of her contemporaries and predecessors **Advanced Condition Monitoring and Fault Diagnosis of Electric Machines** Irfan, Muhammad,2018-09-14 The reliability of induction motors is a major requirement in many industrial applications It is especially important where an unexpected breakdown might result in the interruption of critical services such as military operations transportation aviation and medical applications Advanced Condition Monitoring and Fault Diagnosis of Electric Machines is a collection of innovative research on various issues related to machinery condition monitoring signal processing and conditioning instrumentation and measurements and new trends in condition monitoring It also pays special attention to the fault identification process While highlighting topics including spectral analysis electrical engineering and bearing faults this book is an ideal reference source for electrical engineers mechanical engineers researchers and graduate level students seeking current research on various methods of maintaining machinery *Resources in Education* ,2001-04 Saturday Review of Politics, Literature, Science and Art ,1912 **The Saturday Review of Politics, Literature, Science, Art, and Finance** ,1912 Art Papers Magazine ,2006 *Holography—A Critical Debate within Contemporary Visual Culture* Andrew Pepper,2020-12-02 Artists have been exploring the spatial conceptual and three dimensional qualities of holography for over fifty years Why then is there so little sustained critical pressure placed on this process methodology and mode of visualisation which underpins the developing practice In 1994 pioneering British artist Margaret Benyon in her doctoral thesis posed the question How is Holography Art and offered a range of answers by applying critical pressure to her considerable work in the field Over 25 years later we have used Benyon

s investigation as an invitation to ask more questions This Special Issue in Arts brings together artists working with holography as well as curators and long term expert observers with an interest in the medium to open up a more comprehensive discussion They have reflected on the development of their work and its place within a cultural and critical framework The curators and observers have employed a wider lens from their standpoints outside the field but this is located firmly within current cultural discussions There are more questions and certainly a need to increase the critical pressure around why holography could be one of the most significant ways of seeing and representing worlds and ideas today We are surrounded by terrible art painting sculpture print photography performance digital moving image and holography has undoubtedly contributed to the visual flotsam clogging our vision This publication aims to identify the importance of critical conversation and the place holography holds within our current and complex media landscape *The Saturday Review of Politics, Literature, Science and Art* ,1912 Documentary Making for Digital Humanists Darren R. Reid,Brett Sanders,2021-11-02 This fluent and comprehensive field guide responds to increased interest across the humanities in the ways in which digital technologies can disrupt and open up new research and pedagogical avenues It is designed to help scholars and students engage with their subjects using an audio visual grammar and to allow readers to efficiently gain the technical and theoretical skills necessary to create and disseminate their own trans media projects Documentary Making for Digital Humanists sets out the fundamentals of filmmaking explores academic discourse on digital documentaries and online distribution and considers the place of this discourse in the evolving academic landscape The book walks its readers through the intellectual and practical processes of creating digital media and documentary projects It is further equipped with video elements supplementing specific chapters and providing brief and accessible introductions to the key components of the filmmaking process This will be a valuable resource to humanist scholars and students seeking to embrace new media production and the digital landscape and to those researchers interested in using means beyond the written word to disseminate their work It constitutes a welcome contribution to the burgeoning field of digital humanities as the first practical guide of its kind designed to facilitate humanist interactions with digital filmmaking and to empower scholars and students alike to create and distribute new media audio visual artefacts *The Watchman-examiner* ,1925 Demystifying Academic Writing Zhihui Fang,2021-04-15 Informative insightful and accessible this book is designed to enhance the capacity of graduate and undergraduate students as well as early career scholars to write for academic purposes Fang describes key genres of academic writing common rhetorical moves associated with each genre essential skills needed to write the genres and linguistic resources and strategies that are functional and effective for performing these moves and skills Fang s functional linguistic approach to academic writing enables readers to do so much more than write grammatically well formed sentences It leverages writing as a process of designing meaning to position language choices as the central focus illuminating how language is a creative resource for presenting information developing argument

embedding perspectives engaging audience and structuring text across genres and disciplines Covering reading responses book reviews literature reviews argumentative essays empirical research articles grant proposals and more this text is an all in one resource for building a successful career in academic writing and scholarly publishing Each chapter features crafts for effective communication authentic writing examples practical applications and reflective questions Fang complements these features with self assessment tools for writers and tips for empowering writers Assuming no technical knowledge this text is ideal for both non native and native English speakers and suitable for courses in academic writing rhetoric and composition and language literacy education
