To the Honorable Judge [Last Name] or To the Court:

I am writing this letter to serve as a character reference for [Defendant's Full Name], who is appearing before your court due to [briefly mention the reason for the court appearance, e.g., a DUI charge]. I have known [Defendant's Name] for [number of years] years in the capacity of [your relationship to the defendant, e.g., friend, neighbor, colleague].

In the time that I have known [Defendant's Name], I have found them to be a person of excellent character and integrity. [He/She/They] has always displayed a strong sense of responsibility and honesty in all aspects of [his/her/their] life. [Give specific examples and anecdotes that demonstrate the defendant's positive traits, such as reliability, kindness, honesty, or any other relevant characteristic. For example, mention instances where the defendant has shown responsibility, integrity, or positive contributions to the community.]

[If applicable, you may mention any relevant details related to the case, such as the defendant's general behavior regarding alcohol if it's a DUI case, or any rehabilitation efforts.]

[Discuss the defendant's impact on the community, family, and any charitable activities or organizations they are involved with, if applicable.]

Based on my knowledge and experience, I firmly believe that [Defendant's Name] is a good person who made a mistake, and I trust that [he/she/they] will take the necessary steps to ensure that this does not happen again. I respectfully request that the court consider [his/her/their] otherwise exemplary character when making your decision.

Should you require any further information or clarification, please do not hesitate to contact me at [Phone Number] or [Email Address]. Thank you for considering my perspective.

Sincerely,

[Your Signature (if sending a hard copy)]

How to Write a Great Reference Letter , **Criminal Litigation and Procedure** Jane Tyrer,2000-10-17 This book covers the Law Societys Occupational Standards in Legal Practice for the NVQ in Criminal Litigation The reader is taken through the various stages associated with dealing with criminal clients Why information is needed from clients and its imp

Beat the Heat Katya Komisaruk,2003-01-01 Know your rights and exercise them **Evidentiary Foundations** Edward J. Imwinkelried,2002 Covering all major evidentiary doctrines this work provides a blueprint for introduction of evidence at trial It allows the student mentally to convert a sentence in the Federal Rules of Evidence into a line of questioning to be used at trial An excellent companion to a course casebook in Evidence or Trial Practice it enables the student to picture the manner in which the rules of evidence operate The author dissects major evidence doctrines into lists of foundational elements With this framework lists of questions form which lay a foundation This sample foundation in turn allows fuller understanding of the evidence rule to which it refers *Supreme Court of the State of New York* ,1897 **Naval Courts and Boards** United States. Navy Department,1923 Reasons to Doubt Carolyn Hoyle,Mai Sato,2019-01-10 This book reveals what happens to applications for post conviction review when those in England Wales and Northern Ireland who believe they are wrongfully convicted apply to the Criminal Cases Review Commission the only body that can refer a case back to the Court of Appeal once appellants opportunities for direct appeal are exhausted While the Court is obliged to hear all such referrals the Commission can only refer a case where it believes there is a real possibility that the Court will quash the conviction The first empirical study of all stages of decision making within the Commission this book starts from the premise that the test applied by the Commission the real possibility test is not inflexible Though created by statute and refined through case law it must be determined on a case by case basis drawing too on cultural and structural variables alongside fresh evidence gathered by the Commission Through in depth analysis of case files and interviews Hoyle and Sato scrutinize the Commissions operational practices its working rules and assumptions considering how these influence its understanding of the real possibility test Situating their rich empirical data within a framework of the Commissions social organizational and legal contexts this book demonstrates that in its open ended investigations there is considerable scope for discretion for thorough exploration of all possible avenues or for choosing a more superficial consideration of a case It emerges that while structured internal guidance drawing heavily on Court jurisprudence shapes decision making creating consistency in approach there remains some variability across cases over time that can be accounted for by the different professional backgrounds and personalities of Commission staff **Treasury Decisions Under Customs and Other Laws** United States.
