Red Tent Discussion Guide:

A Study Guide for Anita Diamant's "The Red Tent" Gale, Cengage Learning, 2016-07-12 A Study Guide for Anita Diamant's *The Red Tent* excerpted from Gale's acclaimed *Novels for Students*. This concise study guide includes plot summary, character analysis, author biography, study questions, historical context, suggestions for further reading, and much more. For any literature project, trust *Novels for Students* for all of your research needs. **Anita Diamant's *The Red Tent*** Ann Finding, 2004-09-07 *Continuum Contemporaries* give readers accessible and informative introductions to some of the most popular, most acclaimed, and most influential novels of recent years. A team of contemporary fiction scholars from both sides of the Atlantic has been assembled to provide a thorough and readable analysis of each of the novels in question. The books in the series all follow the same structure: a biography of the novelist, including other works, influences, and in some cases, an interview; a full-length study of the novel, drawing out the most important themes and ideas; a summary of how the novel was received upon publication; a summary of how the novel has performed since publication, including film or television adaptations, literary prizes, and so forth; a wide range of suggestions for further reading, including web sites and discussion forums; and a list of questions for reading groups to discuss. **NOVELS FOR STUDENTS** CENGAGE LEARNING. GALE, 2016 *The Red Tent - 20th Anniversary Edition* Anita Diamant, 2010-04-01 In this modern classic interpretation of the biblical story of Dinah, Anita Diamant imagines the traditions and turmoils of ancient womanhood. The world of *The Red Tent*, a New York Times bestseller and the basis of the A&E Lifetime mini-series *Twentieth Anniversary Edition*. In the Bible, Dinah's life is only hinted at in a brief and violent detour within the more familiar chapters of the Book of Genesis that tell of her father Jacob and his twelve sons. *The Red Tent* begins with the story of the mothers: Leah, Rachel, Zilpah, and Bilhah, the four wives of Jacob. They love Dinah and give her gifts that sustain her through childhood: a calling to midwifery and a new home in a foreign land. Dinah's story reaches out from a remarkable period of early history and creates an intimate connection with the past. Deeply affecting, *The Red Tent* combines rich storytelling and the valuable achievement of presenting a new view of biblical women's lives. *Inside the Red Tent* Sandra Hack Polaski, 2006-07-01 The story of Dinah receives little more than a mention in the Bible as it gives rise to a bloody massacre. Not so with Anita Diamant's *The Red Tent*. Picador, 1998. Diamant weaves ancient history and culture with narrative fiction to draw a picture of what life might have been like for the women in Jacob's life. With skill and passion, Sandra Hack Polaski unravels the complexities of the biblical stories of Leah, Rachel, Zilpah, Bilhah, and Leah's daughter Dinah, probing aspects of *The Red Tent* that give us insight into the text and into the lives of women in the ancient Near East. *Inside the Red Tent* brings readers into the biblical and historical contexts of the world of Dinah and her four mothers, exploring their stories through the tradition of midrash, sound biblical scholarship, and archeological findings. She gives us a glimpse inside the red tent at the families' relationships, encounters, goddesses, and God that defined their lives and that define ours. From the Popular Insights series. *The Red*

The Genesis of Fiction Terry R. Wright,2016-03-09 This book considers a range of twentieth century novelists who practise a creative mode of reading the Bible exploring aspects of the Book of Genesis which more conventional biblical criticism sometimes ignores Each chapter considers some of the interpretive challenges of the relevant story in Genesis especially those noted by rabbinic midrash which serves as a model for such creative rewriting of the biblical text All the novelists considered from Mark Twain John Steinbeck and Thomas Mann to Jeanette Winterson Anita Diamant and Jenny Diski are shown to have been aware of the midrashic tradition and in some cases to have incorporated significant elements from it into their own writing The questions these modern and postmodern writers ask of the Bible however go beyond those permitted by the rabbis and by other believing interpretive communities Each chapter therefore attempts to chart intertextually where the writers are coming from what principles govern their mode of reading and rewriting Genesis and what conclusions can be drawn about the ways in which it remains possible to relate to the Bible
