Redrawing the Boundaries J. V. M. Sturdy, 2014-12-18 Was the New Testament written in the early first century CE or at a much later date Sturdy's work was conceived as a reply to John Robinson's *Reading the New Testament* which dated the New Testament material very early Sturdy argued that the Pauline letters are in places interpolated Colossians Ephesians and the Pastorals are pseudonymous and that Luke and Acts are not by the same author He believed that Matthew was the last Synoptic Gospel to be written with John assigned to the period 140 CE *Redrawing the Boundaries* offers a radical approach to New Testament Studies that stands in a long tradition of scholarship represented by the Tuebingen School in Germany

Tuebingen School in Germany Tailoring Scripture with Citation Formulae Timothy A. Gabrielson, 2024-06-10 The phrases scripture says and as it is written in early Christian literature appear unremarkable little more than throwaway lines *Tailoring Scripture with Citation Formulae* Clues about Early Christian Views of the Holy Books and the Holy God contends however that they provide much to remark on Current discussions of scriptural intertextuality either neglect or instrumentalize citation formulae Within a world of expensive books and widespread illiteracy though the formulae would not only have signaled the presence of an upcoming citation At times they also situated and interpreted a quoted passage Further close attention to the formulae yields three interesting clues about early Christian views of the holy books and the holy God First the media of the formulae in the Gospels cuts precisely counter to expectations with the pre Synoptic tradition indicating a textual view of scripture and Matthew an oral one Second the wellspring of prosopological exegesis that is discovering the triune God speaking in Israel's sacred writings is best attributed to the Epistle to the Hebrews Third while the undisputed Pauline letters say little about the nature of scripture the apostle's citation formulae in Romans and Galatians indicate that it operated as a divine hypostasis for him This book is a comprehensive study including an analysis and catalogue of early Christian formulae

Walsh, 2016-04-01 Judas Iscariot known for his betrayal of Jesus is a key figure in the Gospel narratives As an insider become outsider Judas demarcates Christian boundaries of good and evil *Three Versions of Judas* examines the role of Judas in Christian myth making The book draws on Jorge Luis Borges *Three Versions of Judas* to present three Judases in the Gospels a Judas necessary to the divine plan a Judas who is a determined outsider denying himself for God's glory and a Judas who is demonic Exploring the findings of

biblical criticism and artistic responses to Judas Three Versions of Judas offers an analysis of the evil necessarily inherent in Christian narratives about Judas

Sex Working and the Bible Avaren Ipsen, 2014-12-18 The Bible contains many stories of prostitution Feminist and liberation readings of these biblical narratives have often made sex workers invisible Sex Working and the Bible examines stories of biblical prostitution through the experiences and understanding of sex workers today The Bible narratives ranging across Rahab in the Book of Joshua the story of Solomon and the two prostitutes the anointing women traditions and the apocalyptic vision of the whore of Babylon in Revelation are set within both a practical and theoretical framework This radical book offers a new more inclusive way of approaching issues of gender sexuality and prostitution in the Bible

Jesus in an Age of Terror James G. Crossley, 2014-12-18 New Testament and Christian origins scholarship have historically been influenced by their political and social context Jesus in an Age of Terror applies the work of critical and media theorists to contemporary Christian origins and New Testament scholarship Part one examines the influence of the mass media on the writing of contemporary biblical scholars whose political views as demonstrated in their biblio blogging are shown to have striking similarity to the media's depiction of the war on terror and conflict in the Middle East Part two argues that the Anglo American cultural misrepresentation of Islam as the great enemy has led New Testament and Christian origins scholarship to collude with intellectual defences of the war in Iraq Part three examines the influence of the media's approach to Palestine and Israel on biblical studies exploring the shift towards widespread support for Israel in contemporary scholarship

The Ontology of Space in Biblical Hebrew Narrative Luke Gartner-Brereton, 2014-12-18 The central premise of this book is that biblical Hebrew narrative in terms of its structure tends to operate under similar mechanical constraints to those of a stage play wherein space is central characters are fluid and objects within the narrative tend to take on a deep internal significance The smaller episodic narrative units within the Hebrew aesthetic tend to grant primacy to space both ideologically and at the mechanical level of the text itself However space as a determinate structural category has been all but overlooked in the field of biblical studies to date reflecting perhaps our own inability as modern readers to see beyond the dominant cinematic aesthetic of our times The book is divided into two major sections each beginning with a more theoretical approach to the function of narrative space and ending with a practical application of the previous discussion using Genesis 28 10 22 the Bethel narrative and the book of Ruth respectively as test cases

Symposia Roland Boer,2014-12-05 Symposia illuminates the central issues and concerns of biblical studies by presenting a series of stories The model for the stories is the ancient Greek idea of the symposium a sitting down together for the purpose of drinking In Plato s writings the symposium becomes a genre of writing with Socrates at its centre a character who perpetually questions in order to develop the pursuit of knowledge Some of the most influential figures in the history of biblical studies Julius Wellhausen Hermann Gunkel Martin Noth Brevard Childs Norman Gottwald Phyllis Trible and the Bible and Culture Collective become the central characters in these stories Each aims to voice their central arguments to highlight and confront the key challenges they see and of course to dispute the positions of others

Biblical Resistance Hermeneutics within a Caribbean Context Oral A. W. Thomas,2016-04-08 The Bible is of central importance within Caribbean life but is rarely used as an agent for social change Caribbean biblical hermeneutics focus more on the meaning of biblical texts for today and less on the context in which the texts themselves were written Biblical Resistance Hermeneutics within a Caribbean Context offers a biblical hermeneutic that acknowledges the importance of the socio ideological interests theological agendas and social practices that produced the biblical texts as well as the socio cultural context of the contemporary reader The book

examines the social context of post independence Caribbean and outlines the difficulties of biblical interpretation within Christian communities that descend from a history of slavery Current hermeneutical practices in the Caribbean are critiqued and a biblical resistant reading offered that enables the Bible to be used as a cultural weapon of resistance The Archaeology of Myth N. Edwin D. Freed, Jane F. Roberts, 2014-12-05 Is it possible to apply teachings from the Bible to our world today given the vast differences between biblical times and ours Biblical passages are often taken out of context and interpreted to support a particular viewpoint or justify a particular action The Bible Says So examines the origins of well known biblical stories from Adam and Eve the Flood and the Tower of Babel to the birth of Jesus his resurrection and the writings of St Paul The book argues that the meaning of these stories becomes apparent when we read between the lines using the techniques of biblical scholars The Bible Says So explores the original intentions of the biblical writers in their particular context and examines key biblical values The book does justice to the origins of the biblical text whilst also affirming the relevance of the Bible today Judaism, Jewish Identities and the Gospel Tradition James G. Poll, Anne-Mareike Wetter, 2016-04-08 First Published in 2014 Generally readers have a negative idea of the Exile Psalm 137 has fuelled the idea that this was a time of sorrow and despair This image of the Exile influenced for instance Luther's ideas on the Babylonian Captivity of the Church The four essays in this volume deconstruct and reconstruct this image Bob Becking tries to recreate a history of the Exile On the basis of the available evidence this could be no more than a fragmented history nevertheless showing that the fate of the exiles was not as bad as often supposed Anne Mareike Wetter reveals that the biblical image of exile is multi faceted She shows how a tradition of a people tied to their God given land was challenged by the reality of foreign occupation And how that people eventually succeeded in translating this experience appropriating it through a transformation into a counter tradition that enabled them to cope with the new situation without breaking entirely with their cultural and religious heritage Jewish ideas on exile are discussed by Wilfred van de Poll He concentrates on the use of the concept of galut which refers to the paradigmatic and identity shaping function of the dispersion of the people of Israel and showed that the Exile in Jewish thinking had become a permanent reality up until the present day From the perspective of intertextual reading Alex Cannegieter discusses four texts of varying ages and background Augustine Petrarch Luther and a Dutch sermon held after the end of the Second World War She explores the ways authors chose biblical texts to appropriate them a new context thereby changing the meaning of the new as well as the source texts **Bible and Justice**
