Refined By Fire A Journey Of Grief And Grace:

Refined by Fire Mary Potter Kenyon, 2014-10-21 Where is the handbook for widows Mary Kenyon lamented as she planned a funeral for the beloved husband whose triumph over cancer she chronicled in *Chemo Therapist How Cancer Cured a Marriage* During the ensuing weeks as she attempted to make sense of his untimely death she filled two journals blogged and read the inspirational writings of others who had gone down the road of grief before her authors like C S Lewis and Madeleine L Engle She eventually found herself studying grief and bereavement in her quest to unearth answers to alleviating the pain associated with profound loss In the process she discovered a strength and emotional reserve she didn't know she had along with an evolving faith that helped her face the impending loss of an eight year old grandson In the midst of the darkness of loss I found light Admittedly in those first weeks it might have been but a single small spark I sensed deep inside of me but that spark guided me in the twisted dark journey of grief As I stumbled over the roots of hopelessness and despair that light grew to illuminate my path a path I sometimes felt very alone on At some point in the journey I'd turned around and there was God That is grace In beautiful prose touching metaphors and stories and actual journal entries Mary Potter Kenyon provides a balm for the grieving soul

We do not write in order to be understood; we write in order to understand. C. Day Lewis. Writing is one of the oldest and most effective means of self-exploration, self-expression, and self-discovery. In this new guided journal, Mary Potter Kenyon offers readers an opportunity to reflect on the meaning and significance of loss and allows the griever to sort through all the conflicting emotions that arise after a death. By interweaving her own experiences of loss, the proven research behind writing as a method for healing, and blank pages with carefully chosen quotes, Kenyon gives readers space to express the feelings that are sometimes too painful to speak aloud. **Chemo-Therapist** Mary Potter Kenyon, 2014-04-15. Brings transparency, honesty, humor, and hope to spouses and family members caring for loved ones with cancer; a must-read. Shelly Beach Christy Award-winning author of Ambushed By Grace: Help, Hope on the Caregiving Journey. Initially, after David's diagnosis, I would cringe when I read books or articles by cancer survivors who stated that cancer had been a gift in their lives. How could all that David endured be viewed as a gift? The invasive surgery, the weeks of chemotherapy and radiation, a gift? Yet, after the cancer, David would often reach for my hand and say, "If it is cancer that is responsible for our new relationship, then it was all worth it." And I'd reluctantly agree that cancer had been a gift in our lives. We'd both seen the other alternative: patients and survivors who had become bitter and angry, and neither one of us wanted to become that. After Mary Potter Kenyon's husband, David, was diagnosed with cancer in the summer of 2006, she would serve as his companion during Wednesday chemotherapy treatments. Mary began journaling about their experience as a couple and parents of young children as they navigated the labyrinth of cancer. It soon dawned on her that between working and raising a large family, the two had somehow lost touch with each other over the years, and that things were about to change. Chemo-Therapist: How Cancer Cured a Marriage is a moving and inspiring testimonial of a relationship renewed by the shared experience of a life-threatening illness.
