Thoughts from Along Life's Journey James R. Wilson,2005-04-20 A collection of poetic works containing reflections observations and feelings accumulated over the years in a life committed to the Christian walk of faith

In My Reflection Ameerah A. Rahman,2011-04-19 This book is written to inspire people from all walks of life To bring love loss pain happiness empowerment and inspiration into light To share the power of words some words are a comfort to some and some words are revealing for others Words are extremely powerful and can cause so many emotions and actions This book is best discribed in this poem I keep trying to lay out all of my expressions and feelings with out trying to be too revealing and with trying to be too concealing and as I pull back each layer of skin peelings another layer appears concealing my anger love and fears blood rolling over each pain even as the needle penetrates the vein the lines are not clear but the skin is left stained And a message is sent to the brain As its trying to push back the memories The lies I created In attempt to deceive Living in the world of make believe Even though Im speaking its not truly describing the pain So I scream louder thing that you can now hear me but instead of it the words coming out clear In the air they are crisp sounds of despair heart needed to repair holding back words trying not to swear Not to ignite a fire Im not sure thats there Unsure if I should share If I could repair The damage that is done here concealed not revealed and not truly healed but Healing I pull back this layer of Skin and let You in Thick Skin Copyright 2010

A Poetic Language of Ageing Olga V. Lehmann,Oddgeir Synnes,2023-05-18

Exploring the potential of poetry and poetic language as a means of conveying perspectives on later life this book examines questions such as how can we understand ageing and later life and how can we capture the ambiguities and complexities that the experiences of growing old in time and place entail As poetic language illuminates transfigures and enchants our being in the world it also offers insights into the existential questions that are amplified as we age including the vulnerabilities and losses that humble us and connect us This volume suggests a path towards the poetics of ageing by means of presenting analyses of published poetry on ageing ranging from William Shakespeare to George Oppen the use of reading and writing

poetry among lay people in old age including persons living with dementia and the poetic nuances that emerge from other literary practices and contexts in relation to ageing counting personal poetic reflections from many of the contributing authors New-Church Messenger ,1905 The Literary World ,1893 **Wisconsin Library Bulletin** ,1941
