Reflections Of Yesterday:

The Reflections of Yesterday Jacky Brock Surma,1994 Yesterday'S Reflections Albert F. Schmid,2013-02-22 In Yesterdays Reflections author Albert F Schmid invites us to consider the various holidays that are celebrated throughout the year He provides interesting facts about each holiday and includes the religious origins of them where relevant because many of our holidays have a religious connection He also explains important points about the holidays such as why Easter is always on a Sunday and why Thanksgiving is always on the fourth Thursday in November In addition he includes devotionals on topics ranging from Contentment to God Is Where Love Is Each devotional includes the pertinent Scriptures a story to illustrate the point being made and Schmid's comments For example The Rear View Mirror tells the story of Grace who remembers her father's advice for driving in the snow find a snow plow and follow it When she encounters a blizzard she does this an hour later the driver stops to make certain she is all right as he had plowed a large parking lot was moving on to the next business and was concerned when he noticed that she was following him We often become comfortable thinking that we can just follow the snow plow when in truth we need to learn to trust God and let Him lead the way Yesterdays Reflections is an inspiring collection that reminds us that we are Christ's ambassadors and that God expects each of us to live and act as though He is making His appeal through us The best sermons are not preached they are lived **Reflections of Yesterday** Inge M. Allen,1986 Yesterday's Reflections Jan H. Johannes,1976 **Straight from the Heart: Our World in Poetry** John Morgan Mullen,2022-10-19 John Morgan Mullen attended Michigan State University where he married his college sweetheart and earned a BA in communication arts He was a quarterback for Michigan State University on two National Championship teams in 1965 and 1966 John has two children Todd and Stephanie and is a grandfather to Jake Brennan and Hailey John's new book Straight from the Heart started in lieu of greeting cards and expanded as a way to express his inner feelings His collection talks about the ventures he and his wife Jill took and the inspirational life lessons he's learned along the way The words in Straight from the Heart will always remain dear to John's heart as his wife lost a battle with cancer and will now have to read his touching tribute from heaven Yesterday's Self Andreea Deciu Ritivoi,2002 In Yesterday's Self Andreea Ritivoi explores the philosophical and historical dimensions of nostalgia in the lives of immigrants forging a connection between current trends in the philosophy of identity and intercultural studies The book considers such questions as Does attachment to one's native culture preclude or merely influence adaptation into a new culture Do we fashion our identity in interdependence with others or do we shape it in a non contingent frame Is it possible to assimilate in an unfamiliar world without risking self alienation Ritivoi's response nostalgia is both the poison and the cure in such situations *Reflections of the One Life* Scott Kiloby,2014-11-07 Reflections on the One Life is a book of daily expressions or pointers to spiritual awakening one pointer for each day of the year The clarity is astounding This demystifies spiritual awakening strips it of all fundamentalism and presents it in a clear and easy to read way This is about the timeless presence that you

already are Each pointer peels away beliefs positions and ideas about spirituality including the idea that you exist as a separate self only to reveal in the end that nothing is excluded Its central message is that there is only One Life appearing in a myriad of forms You are that One Life This is when the distinctions between absolute and relative form and formlessness timelessness and time no self and self One and many and all other boundaries collapse into a great and loving mystery that Scott calls This
