Reflective Practice for Coaches Iain McCormick, 2023-02-22 This practical evidence based guide to running Reflective Practice professional development programmes provides a dynamic and engaging resource for a wide range of coaches. Reflective Practice is a proven learning and development approach that involves consciously and deliberately thinking about experiences to develop insights and apply these within coaching practice. McCormick argues that it is vital that coaches regularly reflect on their work to develop and grow professionally and this book provides a definitive and rich source of material on how and what to reflect on. Topics include how to reflect as an individual coach working in pairs and small groups, applying reflective practice in a training context and how to run advanced group sessions for coaches. The book features a wide range of practical workbook exercises to challenge the reader's current practice and extend their capability as well as an evidence based guide to enhancing skills in recently developed areas such as Unified Protocol Cognitive Behavioural Therapy, Internet Supplemented Acceptance and Commitment Therapy and Using Schema Therapy with Mindfulness Techniques. Written by a highly experienced executive coach, this book is full of practical and effective ways to become more capable and proficient. It is essential reading for any career life or executive coach who wishes to enhance their coaching capability through reflective practice as well as for coaching training organisations, senior executive coaches offering sessions for other coaches and academic institutions offering coaching qualifications.
