*Throw Your Voice* Meghanne Barker, 2024-08-15 *Throw Your Voice* is a story of loss and recovery It relates how children placed in a temporary care institution make sense of their situations Moving between a Kazakhstan government children s home Hope House and the Almaty State Puppet Theater Meghanne Barker shows how children and puppets as proxies bring to life ideologies of childhood and visions of a rosy future Sites and stories run in parallel Framed by the narrative of Anton Chekhov s Kashtanka about a lost dog taken in by a kind stranger the author follows the story s staging at the puppet theater At Hope House children find themselves on a path similar to Kashtanka dislodged from their first homes to reside in a second The heart of this story is about living in displacement and about the fragile intimacies achieved amidst conditions of missing Whether due to war migration or pandemic people get separated from those closest to them *Throw Your Voice* examines how strangers become familiar and how objects mediate precarious ties She shows how people use fantasy to mitigate loss

**SADC Gender Protocol 2014 Barometer** Morna, Colleen Lowe,Dube, Sifiso, 2014-10-25 In August 2008 Heads of State of the Southern African Development Community adopted the ground breaking SADC Protocol on Gender and Development This followed a concerted campaign by NGOs under the umbrella of the Southern Africa Gender Protocol Alliance By the 2013 Heads of State summit 13 countries had signed and 12 countries had ratified the SADC Gender Protocol The Protocol is now in force With one year to go time is ticking to 2015 when governments need to have achieved 28 targets for the attainment of gender equality In keeping with the Alliance slogan Yes we must this 2014 Barometer provides a wealth of updated data against which progress will be measure by all those who cherish democracy in the region The world and SADC is also looking to the future with the post 2015 agenda Now is the time to strengthen resolve reconsider reposition and re strategise for 2030 Yearbook of International Organizations 2014-2015, Volumes 1a & 1b (Set) Union of International

Associations, 2014-06-16 Volume 1 A and B covers international organizations throughout the world comprising their aims activities and events **Young Children in the World and Their Rights** Adrijana Višnjić-Jevtić, Alicja R. Sadownik, Ingrid Engdahl, 2021-04-20 This book provides different perspectives on the concept of children s rights including policy educational and children s perspectives It examines how the crucial ideas of the Convention on the Rights of the Child are respected and implemented in 14 countries in five regions of the world It looks at early childhood education children s participatory rights and at how these rights are promoted and guaranteed in different countries It explores the professional practice of education and its complexities challenges and dilemmas as well as the role of play and of listening and participation The book advocates children s rights today arguing for its vital importance in the best interests of the children In doing so it furthers the understanding of children s rights and spreads knowledge about the Convention as a means of celebrating its 30th anniversary The UN Convention on the Rights of the Child UNCRC comprises the potential to change the lives of children to the very best It may exalt children from the position of marginalized citizens to the centre of policies all over the world Even

though the concept of children's rights is omnipresent the respect for children's rights must be discussed While the Convention brings the new perspective of children as citizens to the world there are still challenges in its application The book interrogates challenges in understanding and applying children rights and offers possible answers to these challenges The ratification process itself does not guarantee that children's rights are respected While all adults should take responsibility for implementing the UNCRC in everyday life Early Childhood Education should give opportunities for children to learn and live their rights

**The Rights of the Child in a Changing World** Olga Cvejić Jančić, 2015-11-17 This book deals with the implementation of the rights of the child as enshrined in the Convention on the Rights of the Child in 21 countries from Europe Asia Australia and the USA It gives an overview of the legal status of children regarding their most salient rights such as the implementation of the best interest principle the right of the child to know about of his/her origin the right to be heard to give medical consent the right of the child in the field of employment religious education of children prohibition of physical punishment protection of the child through deprivation of parental rights and in the case of inter country adoption In the last 25 years since the Convention on the Rights of the Child was adopted many States Parties to the Convention have made great efforts to pass legislation regulating the rights of the child in their commitment to the improvement of the legal status of the child However is that enough for any child to live better safer and healthier What are the practical effects of this international as well as many national instruments in the everyday life of children Have there been any outcomes in terms of improvement of their status around the world and improvement of the conditions under which they live since the Convention entered into force In tackling these questions this work presents a comparative overview of the implementation of the Convention and evaluates the results achieved

**Contemporary legal issues in the southeast asian region** Steve Ngo, Jose I. dela Rama, Jr., Yanti Fristikawati, Ratnaria Wahid, Nik Muhammad Syaamil Nik Ismail, Kenny Manurung, Mary Kimberlie C. See, Natalia Yeti Puspita, Garry Gumelar Pratama, Agustinus Supriyanto, V. Selvie Sinaga (Editor), 2022-11-17 Southeast Asia is sub region of Asia that consists of 11 countries that spread out from the eastern China to India and are so rich in religion culture and history diversities Ten of the 11 countries are members of the Association of Southeast Asian Nations ASEAN In terms of economy most of them are within the World Bank classification of lower middle income economies Although classified as the lower middle income economies Southeast Asian countries have been praised as having buoyant economies healthy investment and growing trade ties These economic potentials are in conjunction with the dynamic political sphere in the Southeast Asian countries Recent increasing confrontation between China and the U S have also created the geopolitical uncertainty which threatens the economic growth in the region All these economic and political events in the region are closely related to international law since they are dealt with legal entities beyond their own jurisdiction This book would discuss various contemporary issues of international law that occurred in or related to countries located in the Southeast Asian region There are 9 articles in this book The articles would exhibit the relationship of

international law and national law      Social Change in the Gulf Region Md Mizanur Rahman, Amr Al-Azm, 2023-03-21 This open access book comprising thirty nine chapters divided into social cultural economic and political spheres offers a unique opportunity to dive into the complex dynamic and sometimes contradictory transformation of Gulf societies in the last few decades Whilst the Gulf region has at times been seen as impervious to this natural phenomenon of transformation timeless never changing deeply rooted in its ancient tribal customs and traditions and able to blend past and present seamlessly without suffering the wrenching trauma of change this is clearly not the case and the region is not immune to the inevitable forces of social change There is no doubt today that the social change sweeping the Gulf has been profound affecting almost every aspect of life in the Gulf societies This volume has an encyclopedic value as the chapters collectively offer multifaceted and multidisciplinary perspectives to understand social change in the Gulf region Through these chapters the role of economic and educational transformation and the impact of social media migration and urbanization have in driving social change in the Gulf societies is examined in detail with a focus on their directions magnitudes and relevant policy options It also considers how COVID 19 is affecting the lives of the people in the Gulf This book bridges gaps in the understanding of the rapid pace of social change in the Gulf offering practical solutions for policy interventions It is of interest to scholars and students in Middle Eastern studies specifically as well as sociology media studies migration studies and educational policy

**Business and Human Rights in Southeast Asia** Mahdev Mohan, Cynthia Morel, 2014-09-25 Business and human rights has emerged as a distinct field within the corporate governance movement The endorsement by the United Nations Human Rights Council of a new set of Guiding Principles for Business and Human Rights in 2011 reinforces the State s duty to protect against human rights abuses by third parties including business the corporate responsibility to respect human rights and greater access by victims to effective remedy both judicial and non judicial This book draws on the UN Guiding Principles and recent national plans of action to provide an overview of relevant developments within the ASEAN region Bridging theory and practice the editors have positioned this book at the intersection of human rights risk and its regulation Chapter authors discuss the implications of key case studies undertaken across the region and various sectors with a particular focus on extractive industries the environment and infrastructure projects Topics covered include due diligence and the role of audits businesses responsibilities to women and children and the mitigation of human rights risks in the region s emerging markets The book sheds light on how stakeholders currently approach business and human rights and explores how the role of ASEAN States and that of the institution itself may be strengthened In doing so the book identifies critical challenges and opportunities that lie ahead for the region in relation to business and human rights This book will be of excellent use and interest to scholars practitioners and students of human rights business and company law international law and corporate governance      **Raising a Nation** Elliot Haspel, 2025 Thanks to a history of neglect child care in America is expensive scarce and of questionable quality Yet too often the response is not a push for governmental action but a

derisive why should I pay for your child At best our leaders make the case for child care on bloodless economic grounds we need a place to put the kids so parents can work The problem I believe is that we skipped a step a step so fundamental that it has torpedoed the chances of winning an effective child care system despite decade after decade of pain that crosses geographic and ideological borders We have never established that good child care belongs among the pantheon of American values Because of what it means for the nation that is exactly where child care belongs Raising A Nation offers a new framework for thinking about a comprehensive inclusive child care system one that supports families in all their diversity whether they want to utilize a licensed child care program family member or have a parent be the primary child care provider I posit 10 distinct yet interlinking cases for why every American whatever their political affiliation and whether or not they have young children or any children at all has skin in the game when it comes to the country s child care system This groundbreaking book opens up conversations that can finally push child care from being seen as a private responsibility to being seen as an essential part of the American social fabric Provided by publisher

 Hosli, Amy Blessing, Irini Iacovidou, 2022-12-06 The shift from response to recovery is now noticeable as the world moves past  
 the paralyzing effects of the COVID 19 pandemic This book explores responses to the pandemic by international regional and  
 local institutions multilateral action and crisis prevention efforts at different levels of governance with a specific focus on the  
 situation of women and children The contributions in this volume address novel topics and expand the analysis to the  
 different challenges faced by women and children linking these to the UN s Sustainable Development Goals to create a  
 holistic view of the true impact of the pandemic The focus on international and regional cooperation provides further insights  
 on how management of the COVID 19 induced crisis can be altered and improved Immediate effects of the pandemic were  
 focused on healthcare but long term and knock on effects spread to different societal sectors and must be analyzed to ensure  
 they will be addressed and ultimately resolved      Child Sexual Exploitation After Rotherham Angie Heal, Adele  
 Gladman, 2017-04-21 Written for professionals and managers working across children s services this book examines the  
 recent case of widespread child sexual abuse which took place in Rotherham over many years despite cases being reported to  
 the police It examines what went wrong and provides recommendations for improving responses throughout children s  
 services      **Education for people and the planet: Creating sustainable futures for all** UNESCO, 2016-09-12 This

 Phillips, 2014-06-27 Now in its fifth edition Inside Book Publishing remains the classic introduction to the book publishing  
 industry being both a manual for the profession for over two decades and the bestselling textbook for students of publishing

This new edition has been fully updated to respond to the rapid changes in the market and technology. Now more global in its references and scope, the book explores the tensions and trends affecting the industry, including the growth of ebooks, self-publishing, and online retailing, and new business models and workflows. The book provides excellent overviews of the main aspects of the publishing process, including commissioning, product development, design, and production, marketing, sales, and distribution. The book remains essential reading for publishing students, those seeking a career in publishing, recent entrants to the industry, and authors seeking an insider's view. The accompanying website supports the book by providing up-to-date and relevant content.

**The Encyclopedia of Louisville** John E. Kleber, 2014-07-11. With more than 1,800 entries, *The Encyclopedia of Louisville* is the ultimate reference for Kentucky's largest city. For more than 125 years, the world's attention has turned to Louisville for the annual running of the Kentucky Derby on the first Saturday in May. Louisville Slugger bats still reign supreme in major league baseball. The city was also the birthplace of the famed Hot Brown and Benedictine spread, and the cheeseburger made its debut at Kaelin's Restaurant on Newburg Road in 1934. The Happy Birthday had its origins in the Louisville kindergarten class of sisters Mildred Jane Hill and Patty Smith Hill. Named for King Louis XVI of France in appreciation for his assistance during the Revolutionary War, Louisville was founded by George Rogers Clark in 1778. The city has been home to a number of men and women who changed the face of American history. President Zachary Taylor was reared in surrounding Jefferson County, and two U.S. Supreme Court Justices were from the city proper: Second Lt. F. Scott Fitzgerald stationed at Camp Zachary Taylor during World War I frequented the bar in the famous Seelbach Hotel; immortalized in *The Great Gatsby*; Muhammad Ali was born in Louisville and won six Golden Gloves tournaments in Kentucky.

**Washington Information Directory 2013-2014** CQ Press, 2013-07-15. *Washington Information Directory* is the essential one-stop source for information on U.S. governmental and nongovernmental agencies and organizations. It provides capsule descriptions that help users quickly and easily find the right person at the right organization. *Washington Information Directory* offers three easy ways to find information: by name, by organization, and through detailed subject indexes. More than just a directory, it also includes reference boxes and organization charts. With more than 10,000 listings, the 2013-2014 edition of *Washington Information Directory* features contact information for Congress and federal agencies, nongovernmental organizations, policy groups, foundations, and institutions, governors and other state officials, U.S. Ambassadors, and foreign diplomats. *Washington Information Directory* also features up-to-date contact information for the high-level advisory positions or czars appointed by President Obama, including those that oversee the automobile industry, green energy, healthcare, technology, and stimulus accountability.

**Constitutional Change in the Contemporary Socialist World** Ngoc Son Bui, 2020-07-24. After the collapse of the Soviet bloc, there are only five socialist or communist countries left in the world: China, Cuba, Laos, North Korea, and Vietnam, which constitute about one-quarter of the world's population. Yet there is little scholarship on their constitutions. These countries have seen varying socioeconomic changes in the decades since 1991, which

have led in turn to constitutional changes This book will investigate from a comparative and interdisciplinary perspective how and why the constitutional systems in these five countries have changed in the last three decades The book then breaks the constitutional changes down into four questions what are the substantive contents of constitutional change what are the functions what are the mechanisms and what are the driving forces These questions form a framework to process the changes the five countries have gone through such as making new constitutions amending current ones introducing more rights allowing citizens to engage in changes enacting legislation and defining the constitutional authority of the three state branches and their relationship with the Communist Party While all five countries have adapted their constitutional systems the degree mechanisms and influential factors are not identical and present considerable variations This book examines and explores these differences and how they developed Constitutional Change in the Contemporary Socialist World offers a comprehensive and holistic view of an understudied and overlooked area of constitutional law essential for anyone studying or working in law politics or policy **The Real World Guide to Fashion Selling and Management** Gerald J.

Sherman,Sar Perlman,2014-05-15 Provides the kind of examples and information that lead to success in the fashion retail world including the characteristics of great salespeople using digital and social media and adapting to change in the fashion marketplace **Southeast Asia in Pre- and Post-COVID-19** AKM Ahsan Ullah,Shirley Chin Wei Lee,Noor Hasharina Hassan,2024-08-30 Ullah Chin and Hassan provide a comprehensive examination of the transformative impact of the COVID 19 pandemic on Southeast Asia examining its effects on the region s economy social dynamics mobility patterns and religious practices The book examines the profound changes and challenges that the region faced offering insights into both the immediate responses and the long term adjustments in these key aspects of Southeast Asian life An in depth analysis with a comprehensive and up to date perspective on the region s postpandemic landscape offers informed insights into the diverse challenges and opportunities facing Southeast Asia in a rapidly changing world This book is an essential reading for academics researchers and policymakers seeking to gain a nuanced understanding of Southeast Asia s response to the pandemic COVID 19
