From Time to Time Dalia Marx, 2023-11-28 Time is fundamental to the human experience and in Judaism it is even more time is sanctified Understanding the Jewish calendar is thus essential for fully comprehending Judaism In From Time to Time Rabbi Dalia Marx PhD presents a fascinating exploration of the treasures of the Jewish year The book artfully blends traditional and contemporary perspectives on each Hebrew month and its holidays Rabbi Marx s insights are paired with striking illustrations each month also features a diverse selection of poetry prayers and songs Taking a distinctively Israeli feminist and progressive approach From Time to Time is a comprehensive indispensable companion you will want to return to each

season I have no doubt that this new book will contribute a great deal to the global Jewish cultural field offering Dalia Marx's evocative and singular voice of insight and wisdom to the interpretation of our Jewish calendar and greatly enriching the ongoing and vital conversation that is our Jewish heritage with Jews around the world.

Isaac Herzog, President of the State of Israel: Dalia Marx's brilliant book *From Time to Time* offers extraordinary new ways of understanding Jewish time. With poetry, ancient and modern texts, ritual suggestions, and historical reflections, Marx illuminates traditional holidays, features lesser-known celebrations such as Moroccan Mimouna and Ethiopian Sigd, and brings an evolved scholarship that includes feminist, pluralist, and gender fluid perspectives. This rich tapestry allows us not only to learn more about the expanded Israeli calendar but about Jewish views of time across the world and the centuries. This indispensable volume will help every one of us make our time more meaningful and sacred.

Rabbi Angela Warnick Buchdahl, Senior Rabbi, Central Synagogue, NYC: This is quite simply a genius of a book, not just the best of its kind but the only thing of its kind, a moving combination of scholarly depth and mastery of Jewish tradition served up with personal anecdote, poetic sensitivity, and an uncanny ability to make the seasons, the holidays, and even ordinary time come alive with meaning.

Rabbi Lawrence A. Hoffman, PhD, Professor Emeritus, Hebrew Union College, Jewish Institute of Religion: God's glory is the human being fully alive, declared Saint Irenaeus of Lyon. Rabbi Dalia Marx's book offers a *vade mecum* for human flourishing. Her expansive compendium opens horizons on Israeli Jewish cultures and religious expressions and takes readers beyond that world. *From Time to Time* is an evocative read, a splendid resource, and a powerful reminder that the diverse ways in which humans ritualize our longings and seek meaning connect us across boundaries of difference.

Sr. Mary C. Boys, Professor, Union Theological Seminary: This book is a delightful and insightful road map for Jewish time travel, helping modern readers navigate the deeper meanings of each moment and season on the Jewish calendar. Rabbi Marx makes sacred time accessible and exciting through a fusion of historical clarity, cultural diversity, and contemporary relevance, revealing the essence of our ever-evolving traditions.

Rabbi Amichai Lau-Lavie, Founding Spiritual Leader, Lab Shul: If, as Rabbi Heschel once said, our Sabbaths are cathedrals in time, Rabbi Dalia Marx has constructed a wonderland of the entire Jewish calendar. Her poetic imagination ranges across text and time, from Israel to Diaspora, across gender and geography, and liturgy. This gorgeous book will be indispensable for those trying to find their way through the Jewish calendar and also for those who may already live the Jewish calendar yet seek to find themselves more deeply within it.

Dahlia Lithwick, Senior Editor, Slate: The book's intellectual depth is balanced by an accessible writing style that successfully engages lay readers with applications to contemporary life, including prayers for schoolchildren and families. This emphasis on accessibility is reflected in the book's ample appendices, which include a glossary and a diagram of the Hebrew calendar year. While Marx's perceptive analysis is the star, this book is also a visually stunning volume full of text box vignettes, gorgeous illuminations, and other decorative flairs, as well as frequent parallel texts juxtaposing Hebrew scripture with English translations. This work is a welcome reminder of King David's adage to count our days rightly that we may

obtain a wise heart A brilliant introduction to the Jewish calendar that is both visually and intellectually striking Kirkus Reviews *The Devil, the Saints, and the Church* Emanuela Barasch-Rubinstein, 2004 Explores the religious motifs in Hochhuth's play the Devil Josef Mengele the Saints Riccardo Fontana and Kurt Gerstein and the role of the Vatican during the Holocaust The concentration camp is the kingdom of evil and the Pope's silence is God's failure in his ancient battle with the Devil **Annual Report of the Regents** University of the State of New York, 1897 Far from Home Ashby Bland Crowder, 2008-01-01 Often compared to William Faulkner renowned American writer William Humphrey 1924-1997 sought to shatter myths about the South in such acclaimed novels as *Home from the Hill* *The Ordways* and *Proud Flesh* and in his voluminous short stories critical essays and memoirs This collection of Humphrey's best letters deserves space on the bookshelf alongside these earlier works Beginning in the 1940s when as a true starving artist he wore borrowed clothes and could afford only one meal a day the letters move to his time as a goatherd his stint as a teacher at Bard College and his middle years in Europe They continue as he returns to America and teaches at Washington and Lee MIT Princeton and Smith and decrease in number as his health declines in the late 1980s and early 1990s Humphrey corresponded with some of the central figures in the literary and intellectual life of the twentieth century including writers such as Katherine Anne Porter and Leonard Woolf and the publishers Alfred and Blanche Knopf These letters present a vivid picture of Humphrey as he provides commentary on his contemporaries through personal observations combined with sharp critical judgments Humphrey amuses readers with witty anecdotes and charming tales including a hilarious account of Christmas dinner with Robert Lowell a story about British intellectual Cyril Connolly's near arrest in New York City and a series of enchanting misunderstandings between Humphrey and his French publisher The letters also provide remarkable insights into Humphrey's own works showing him to be a man happiest when he forgot about himself also prone to plunging into despondency The correspondence unforgettably reveals his troubled soul and his life as a quintessential artist a man with the unswerving drive to make a lasting contribution to American literature **The Bureaucratization of the World** Henry Jacoby, Professor Henry Jacoby, 1973-01-01 **New Ritual Society** Gianpiero Vincenzo, 2018-07-27 Consumerism has established itself as a dominant lifestyle but the reasons behind this are often unclear This study revisits a large amount of diverse research and argues that consumerism is a powerful ritual machine that can make up for the modern lack of values with new symbols and rituals Consumerism made its claim between the end of the 19th and the beginning of the 20th century when the traditional symbolic world had ended and a new one had not yet emerged Slowly but progressively consumerism began to develop new symbolic forms and new social rituals becoming the basis for new mimetic behaviours As nationalism has progressively declined consumerism has permeated the entire social fabric Supermarkets and shopping malls must be interpreted in the light of their ritual significance as temples and holy cities of a new symbolic order In the consumeristic era many people are led to think and imagine in consumer terms to identify themselves through consumption rituals The impact of consumerism

on culture from literature to art should not be underestimated Many artists have tried to develop their aesthetics by triggering a dialectical or openly critical confrontation with consumerism This book also takes into account the development of violence and the effects of consumerism on childhood and new generations The book contains a preface by the German anthropologist Christoph Wulf and the images illustrating the text are by Belgian artist Michel Couturier **The Publishers Weekly** ,1905 **The American and English Encyclopedia of Law and Practice** William Mark McKinney,David Shephard Garland,1910 **Rhinebeck's Historic Architecture** Nancy V.
