**Rejina Sabur Cross Book:**

**Undercover User Experience Design** Cennydd Bowles, James Box, 2010-09-17 Once you catch the user experience bug the world changes. Doors open the wrong way, websites don't work, and companies don't seem to care. And while anyone can learn the UX remedies: usability testing, personas, prototyping, and so on, unless your organization gets it putting them into practice is trickier. **Undercover User Experience** is a pragmatic guide from the front lines giving frank advice on making UX work in real companies with real problems. Readers will learn how to fit research, ideation, prototyping, and testing into their daily workflow and how to design good user experiences under the all too common constraints of time, budget, and culture.
