Focusing on the northern plains and the Southwest, Iverson traces the rise and fall of individual and tribal cattle industries against the backdrop of changing federal Indian policies. He describes the Indian Bureau's inability to recognize that most nineteenth-century reservations were better suited to ranching than farming. Even though allotment and leasing stifled ranching, livestock became symbols and ranching a new means of resisting adapting and living for remaining Native. **New Statesman**, 1925 **Books for All** Providence Public Library (R.I.), 1928 **Popular Mechanics Magazine**, 1929 **The Nation and Athenæum**, 1924 [Black Hills Myths and Legends](#) T. D. Griffith, 2020-03-23. Did a doomed party of prospectors discover gold in South Dakota's Black Hills decades before Custer's Black Hills Expedition scouted out the area? Why would anyone want to murder one of Deadwood, South Dakota's most upstanding citizens? Where did Lame Johnny hide his stolen cache of over 7.5 million in gold? From the wily and some say dangerous jackalope to the world's largest mammoth grave, *Black Hills Myths and Legends* makes history fun and pulls back the curtain on some of the Mount Rushmore State's most fascinating and compelling stories. *Reading Karl Barth* Kenneth Oakes, 2011-09-22. Karl Barth's 1922 *The Epistle to the Romans* is one of the most famous, notorious and influential works in twentieth-century theology and biblical studies. It is also a famously and notoriously difficult and enigmatic work, especially as its historical context becomes more and more foreign. In this book, Kenneth Oakes provides historical background to the writing of *The Epistle to the Romans*, an introduction and analysis of its main themes and terms, a running commentary on the text itself and suggestions for further readings from Barth on some of the issues it raises. The volume not only offers orientation and assistance for those reading *The Epistle to the Romans* for the first time; it also deals with contemporary problems in current Barth scholarship regarding liberalism, dialectics and analogy.
