Encyclopedia of Romance Fiction Kristin Ramsdell, 2018-09-07 As the first encyclopedia solely devoted to the popular romance fiction genre this resource provides a wealth of information on all aspects of the subject. Romance fiction accounts for a large share of book sales each year and contrary to popular belief not all of its readers are women roughly 16 percent are men. This enormously popular genre continues to captivate people reading for pleasure and it also commands a growing amount of academic interest. Included are alphabetically arranged reference entries on significant authors along with works, themes and other topics. The articles are written by scholars, librarians and industry professionals with a deep knowledge of the genre and so provide a thorough understanding of the subject. An index provides easy access to information within the entries and bibliographies at the end of each entry. A general bibliography and a suggested romance reading list allow for further study of the genre.
