crafting your sushi skills Sushi is often seen as a very intimidating cuisine that scares even the best chefs And yes it is a very complex skill filled with traditional techniques that take years upon years to master But don't let that discourage you from even trying I will guide you step by step through the fundamentals of sushi and teach you how to take that skill and make it your own My twenty plus years of training as a sushi chef originally started from my dad who's owned and operated a Japanese restaurant for more than thirty five years He taught me all the fundamentals and guided me throughout the first part of my sushi career I then started my own sushi catering company which I operated for more than ten years During this time I have had the pleasure of working with so many amazing clients I've also had countless opportunities to teach how to make sushi and I noticed there was a gap between people who wanted to make sushi but didn't know how to even start scared to even That is the reason why I decided to write this book to share my knowledge and teach the proper fundamentals to those who are curious about making sushi Because as intimidating as it may be making sushi is actually quite easy to do at home To those who didn't know where to start well you chose the right book and I'm excited for you This is the start line I have compiled years of my experience and simplified it into this one single book so that it can be a gateway to your sushi journey Whether your goal is to make your favorite sushi at home impress your family and friends with your own sushi creations or practice to become a professional sushi chef this book will help you accomplish those goals You'll find many of my personal recipes in this book however this is not just a recipe book More so it is a skills development book that skill being the art of sushi Sushi is a unique and amazing cuisine where once you have the basics down you can let your imagination take over Take a sushi roll for example I can share hundreds of recipes on all different types of rolls and make this book four hundred plus pages but the fundamental techniques for each are very similar Sure there's slight differences which I do teach but most of it just takes repetition and practice My goal is to teach you the fundamentals of making sushi which will allow you to confidently take that skill and dive into the art of sushi on your own The beauty of sushi especially making it at home is in the endless possibilities and the fact that you can do whatever you want If you give a man a fish you feed him for a day If you teach a man to fish you feed him for a lifetime Yes pun intended *Pleasant Vietnamese Cooking* Ted Alling,2020-03-17 This book *Pleasant Vietnamese Cooking* Exciting Vietnamese food Recipes to Cook at Home is a perfect guide for you to learn Vietnamese recipes These recipes are tried and tested by professionals with adopting the exact style with which the Vietnamese cook The style of cooking is similar all around the world but adding the ingredients at a certain point may differ You will be able to find various recipes in the chapters as follows Popular Vietnam Seafood Recipes Vietnamese Lunch Recipes Desserts of Vietnam Get this book now to enjoy the culture and taste of Vietnam at your house You will love the texture and appearance of the recipes by just seeing them it will compel you to cook them right away **The Recovering Sorority Girls' Guide to a Year's Worth of Perfect Parties** Kristina Rose,Deandra Brooks,2005 Remember the last good party you attended No not the office mixer where the chips were served from the bag you had to mix your own drink and the
