Sam Houston and the American Southwest Randolph B. Campbell, 2002 In this biography Randolph B Campbell explores the life of Sam Houston and his important role in the development of the Southwest Paperback brief and inexpensive each of the titles in the Library of American Biography Series focus on a figure whose actions and ideas significantly influenced the course of American history and national life In addition each biography relates the life of its subject to the broader themes and developments of the times

The Encyclopedia of the Mexican-American War Spencer C. Tucker, 2012-10-09 This user friendly encyclopedia comprises a wide array of accessible yet detailed entries that address the military social political cultural and economic aspects of the Mexican American War The Encyclopedia of the Mexican American War A Political Social and Military History provides an in depth examination of not only the military conflict itself but also the impact of the war on both nations and how this conflict was the first waged by Americans on foreign soil and served to establish critical U S military political and foreign policy precedents The entries analyze the Mexican American War from both the American and Mexican perspectives in equal measure In addition to discussing the various campaigns battles weapons systems and other aspects of military history the three volume work also contextualizes the conflict within its social cultural political and economic milieu and places the Mexican American War into its proper historical and historiographical contexts by covering the eras both before and after the war This information is particularly critical for students of American history because the conflict fomented sectional conflict in the United States which resulted in the U S Civil War

The Texas Republic and the Mormon Kingdom of God Michael Van Wagenen, 2002 History has until now hidden how close the ambitions of these two men came to carving out a Mormon Kingdom of God in the Republic of Texas

Almanac of American Military History Spencer C. Tucker, 2012-11-21 This almanac provides a comprehensive chronological overview of all American military history serving as the standard reference work of its type Almanac of American Military History is yet another reference work from acclaimed historian Dr Spencer C Tucker and ABC CLIO offering an unprecedented resource for a wide range of students and researchers A comprehensive four volume title this almanac traces all of American military history from the European voyages of discovery through 2011 chronicling the pivotal moments that have shaped the United States into the country it is today In addition to documenting key events this title presents biographies of more than 250 key individuals and provides information on more than 250 historically significant technologies and weapons systems A detailed glossary is included as are discussions of ranks and military awards and

decorations Divided into conflict periods each chapter includes a detailed chronology reference entry sidebars statistical information primary source documents and a bibliography

The Encyclopedia of North American Indian Wars, 1607-1890 Bloomsbury Publishing, 2011-09-19 This encyclopedia provides a broad in depth and multidisciplinary look at the causes and effects of warfare between whites and Native Americans encompassing nearly three centuries of history The Battle of the Wabash the U S Army s single worst defeat at the hands of Native American forces The Battle of Wounded Knee an unfortunate unplanned event that resulted in the deaths of more than 150 Lakota Sioux men women and children These and other engagements between white settlers and Native Americans were events of profound historical significance resulting in social political and cultural changes for both ethnic populations the lasting effects of which are clearly seen today The Encyclopedia of North American Indian Wars 1607 1890 A Political Social and Military History provides comprehensive coverage of almost 300 years of North American Indian Wars Beginning with the first Indian settler conflicts that arose in the early 1600s this three volume work covers all noteworthy battles between whites and Native Americans through the Battle of Wounded Knee in December 1890 The book provides detailed biographies of military social religious and political leaders and covers the social and cultural aspects of the Indian wars Also supplied are essays on every major tribe as well as all significant battles skirmishes and treaties

Discovering Texas History Bruce A. Glasrud, Light Townsend Cummins, Cary D. Wintz, 2014-09-09 The most comprehensive and up to date guide to Texas historiography of the past quarter century this volume of original essays will be an invaluable resource and definitive reference for teachers students and researchers of Texas history Conceived as a follow up to the award winning A Guide to the History of Texas 1988 Discovering Texas History focuses on the major trends in the study of Texas history since 1990 In two sections arranged topically and chronologically some of the most prominent authors in the field survey the major works and most significant interpretations in the historical literature Topical essays take up historical themes ranging from Native Americans Mexican Americans African Americans and women in Texas to European immigrant history literature the visual arts and music in the state and urban and military history Chronological essays cover the full span of Texas historiography from the Spanish era through the Civil War to the Progressive Era and World Wars I and II and finally to the early twenty first century Critical commentary on particular books and articles is the unifying purpose of these contributions whose authors focus on analyzing and summarizing the subjects that have captured the attention of professional historians in recent years Together the essays gathered here will constitute the standard reference on Texas historiography for years to come guiding readers and researchers to future ever deeper discoveries in the history of Texas

Globalizing the Lower Rio Grande Kyle B. Carpenter, 2024-10-15 Often obscured in the history of the nineteenth century US Mexico borderlands European born entrepreneurs played a definitive role in pushing the Rio Grande borderlands into Atlantic markets These borderlands entrepreneurs tried to transform the Lower Rio Grande and its surroundings from a regional crossroads of trade to a hub of the Atlantic economy Though they were often

stymied by mismanagement notions of ethnic and cultural superiority and eruptions of violence these entrepreneurs persistently attempted to remake the region into a modern commercial utopia Their actions challenged United States imperial expansion into the Rio Grande borderlands as they tried to modernize the region according to European cultural precepts through constructing colonies populated with Europeans building strong networks of local and global significance and striving to dominate trade in the region Globalizing the Lower Rio Grande reframes the narrative of the borderlands through the perspectives of Europeans who actively shaped the historical trajectory of the region It highlights the actions of folks like English born John C Beales who convinced a party of Europeans to trek overseas and overland to the isolated Las Moras Creek to build a colony from scratch Alexander Bourgeois d Orvanne former mayor of Clichy la Garenne in France who manipulated powerful French and German leaders to support a settlement scheme on the Rio Grande Spanish born Jos San Rom n and the way he constructed massive transatlantic networks of credit and exchange and Joseph Kleiber from Strasbourg who facilitated the construction of a European owned railroad line along the Rio Grande Though ultimately undermined and outmaneuvered by their American rivals European born borderlands entrepreneurs like these collectively globalized the Lower Rio Grande

The Mexican War David S. Heidler, Jeanne T. Heidler, 2005-11-30 Victory over Mexico added vast western territories to America but it also quickened the domestic slavery debate and crippled Mexico for decades making the Mexican War one of our most ambiguous conflicts Primary documents biographical sketches and narrative chapters rounded out by twenty images and maps and a robust bibliography and index make this work by two of America s foremost Antebellum historians a must have to understand one of our most contentious episodes The United States went to war with Mexico in the spring of 1846 and by the fall of 1847 American soldiers were walking in the streets of Mexico City The following February Mexico was forced to sign the Treaty fo Guadalupe Hidalgo that ceded what became the U S Southwest and Pacific Coast Rather than an isolated episode the war was the culmination of a series of events that began before Mexican independence and included treaty arrangements with Spain the revolt of Mexico s northern province of Texas and the growing discord over American reactions to Texan independence The legacy of the war was dire for both countries The victorious United States commenced a bitter argument over the fate of slavery in the territories acquired from Mexico that eventually culminated in southern secession and Civil War Defeated Mexico coped for decades with a ruined economy and a broken political system while nursing a grudge against the Colossus of the North This book examines these events from both the American and Mexican perspectives Topics covered include succinct histories of the American and Mexican Republics from their colonial founding to their independence from European countries The problems over Texas including Anglo immigration the Texas Revolution and the controversies surrounding U S annexation of Texas the crises instigated by American annexation of Texas brought on by the crossed purposes of American expansionist aims and domestic concerns over slavery the northern campaigns of the war in California and New Mexico Winfield Scott s amphibious landing and siege

at Vera Cruz and his epic march to Mexico City and the collapse of the Mexican government and finally the crafting of the peace treaty and the bitter legacies of the war for both the U S and Mexico Biographical sketches of Valentin Gomez Farias Jose Joaquin de Herrera Sam Houston Stephen Watts Kearny President James Polk and other notable figures of the event provide firsthand glimpses into the motivations of the key players Nine maps eleven images a detailed chronology and a dozen vital annotated primary documents add considerable depth to the book An extensive annotated biography and robust index complete this valuable new edition on one of Young America s most trying and contentious periods **Southwestern Historical Quarterly** ,1994 **When Democracy Breaks** Archon Fung,David Moss,Odd Arne Westad,2024 This is an open access title available under the terms of a CC BY NC ND 4 0 International licence It is free to read on the Oxford Academic platform and offered as a free PDF download from OUP and selected open access locations Democracy is often described in two opposite ways as either wonderfully resilient or dangerously fragile Both characterizations can be correct depending on the context When Democracy Breaks aims to deepen our understanding of what separates democratic resilience from democratic fragility by focusing on the latter The volume s collaborators experts in the history and politics of the societies covered in their chapters explore eleven episodes of democratic breakdown from ancient Athens to Weimar Germany to present day Russia Turkey and Venezuela Strikingly in every case various forms of democratic erosion long preceded the final democratic breakdown Although no single causal factor emerges as decisive linking together all of the episodes some important commonalities including extreme political polarization explicitly anti democratic political actors and significant political violence stand out across the cases Moreover the notion of democratic culture while admittedly difficult to define and even more difficult to measure may play a role in all of them Throughout the volume the contributors show again and again that the written rules of democracy are insufficient to protect against tyranny While each case of democratic decay is unique the patterns that emerge shed much light on the continuing struggle to sustain modern democracies and to assess and respond to the threats they face Writings on American History ,1922 *The Oxford Encyclopedia of American Military and Diplomatic History* Timothy J. Lynch,2013 Entries written by renowned diplomatic and military historians as well as key scholars in international relations Provides assessments and analyses of key episodes issues and actors in the military and diplomatic history of the United States Based on the award winning Oxford Companion to United States History Comprehensive collection of entries that span the founding of the U S to its present state Offers a wide range of perspectives to provide an encompassing context of the United States military and diplomatic legacies Expansive bibliographies and suggested readings for each article to aid in research The Oxford Encyclopedia of American Military and Diplomatic History a two volume set will offer both assessment and analysis of the key episodes issues and actors in the military and diplomatic history of the United States At a time of war in which ongoing efforts to recalibrate American diplomacy are as imperative as they are perilous the Oxford Encyclopedia will present itself as the first recourse for scholars wishing to deepen their

understanding of the crucial features of the historical and contemporary foreign policy landscape and its perennially martial components Entries will be written by the top diplomatic and military historians and key scholars of international relations from within the American academy supplemented as is appropriate for an encyclopedia of diplomacy with entries from foreign based academics in the United Kingdom and elsewhere The crucial importance of the subject is reflected in the popularity of university courses dedicated to diplomatic and military history and the enduring appeal of international relations IR as a political science discipline drawing on both The Oxford Encyclopedia will be a basic reference tool across both disciplines a potentially very significant market Readership University level undergraduate and graduate students in History

America and Its Peoples James Kirby Martin, 2000 America and Its Peoples Fourth Edition presents American history in an exciting way with a spirited narrative vivid character sketches and colorful anecdotes The book highlights the rich ethnic diversity of the American people Social history with an emphasis on sports leisure and popular culture is integrated with more traditional coverage of military history politics and diplomacy MARKET Appropriate for anyone with an interest in American history

The Mexican American Experience Matt S. Meier, Margo Gutiérrez, 2003-12-30 Mexican Americans are rapidly becoming the largest minority in the United States playing a vital role in the culture of the American Southwest and beyond This A to Z guide offers comprehensive coverage of the Mexican American experience Entries range from figures such as Corky Gonzales Joan Baez and Nancy Lopez to general entries on bilingual education assimilation border culture and southwestern agriculture Court cases politics and events such as the Delano Grape Strike all receive full coverage while the definitions and significance of terms such as coyote and Tejano are provided in shorter entries Taking a historical approach this book's topics date back to the 1848 Treaty of Guadalupe Hidalgo a radical turning point for Mexican Americans as they lost their lands and found themselves thrust into an alien social and legal system The entries trace Mexican Americans experience as a small conquered minority their growing influence in the 20th century and the essential roles their culture plays in the borderlands or the American Southwest in the 21st century

Thomas A. Edison and the Modernization of America Martin V. Melosi, 2008 Thomas A Edison and the Modernization of America is a captivating narrative which chronicles America's most formidable inventor and contributor to modern technology Martin Melosi creates a dynamic historical narrative by relating Edison's personal history to larger cultural political and economic trends Melosi adeptly reveals the workings of Edison's mind as well as his inventions lasting affect on the nation Historians have often designated robber barons and large trusts as the face of the rapid economic and technological advances of the Gilded Age However this book exposes students to a more refreshing look at America's economic history placing the inventor above the banker The titles in the Library of American Biography Series make ideal supplements for American History Survey courses or other courses in American history where figures in history are explored Paperback brief and inexpensive each interpretive biography in this series focuses on a figure whose actions and ideas significantly influenced the course of American history

and national life In addition each biography relates the life of its subject to the broader themes and developments of the times

American Book Publishing Record ,2001 Passionate Nation James L. Haley,2022-05-15 Utilizing many sources new to publication James L Haley delivers a most readable and enjoyable narrative history of Texas told through stories the words and recollections of Texans who actually lived the state s spectacular history From Jim Bowie s and Davy Crockett s myth enshrouded stand at the Alamo to the Mexican American War and to Sam Houston s heroic failed effort to keep Texas in the Union during the Civil War the transitions in Texas history have often been as painful and tense as the normal periods in between Here in all of its epic grandeur is the story of Texas as its own passionate nation Texas native Haley does an outstanding job of narrating the outsized and dramatic history of the Lone Star State John Steinbeck observed Like most passionate nations Texas has its own private history based on but not limited by facts Cognizant of this Haley takes pains to separate folklore from fact He s a good storyteller but then it s hard to go wrong with the colorful characters he has to work with pioneer nationalists Sam Houston and Davy Crockett Quaker abolitionist Benjamin Lundy a wagonload of liquored up turn of the century oilmen and such latter day heroes as Lyndon Johnson John Connally and Janis Joplin Publishers Weekly Starred Review

James K. Polk and the Expansionist Impulse Sam Walter Haynes,2006 This biography explores the controversies triumphs and failures of the presidency of James K Polk Sam W Haynes places Polk s expansionist agenda in both political and social contexts and examines the nature and origins of the expansionist impulse Paperback brief and inexpensive each of the titles in the Library of American Biography series focuses on a figure whose actions and ideas significantly influenced the course of American History and national life In addition each biography relates the life of its subject to the broader themes and developments of the times This text incorporates the latest scholarship and draws upon the longer far more extensive studies of Polk s life and times but makes the story accessible to students in both survey and upper division courses in American history

Ronald Reagan and the Triumph of American Conservatism Jules Tygiel,2004 Jules Tygiel s biography of Ronald Reagan engages students with the compelling story of the man who went from Hollywood actor to President of the United States This balanced biography considers both the accomplishments and failures of Reagan s presidency as well as the contested legacy of his political career even after his death Incorporating the latest scholarship Ronald Reagan and the Triumph of American Conservatism examines Reagan both as an individual and in the larger context of the conservative movement
