

A vintage, sepia-toned photograph of a man sitting in a high-backed chair on a sandy beach. He is looking through a large, complex telescope or surveying instrument mounted on a tripod. The instrument has a large circular lens at the top and various adjustment knobs and a horizontal arm. The man is wearing a light-colored, short-sleeved shirt and dark trousers. In the background, the ocean waves are visible, and another person is sitting on the beach in the lower left corner. The overall scene suggests a historical or scientific context, possibly related to astronomy or surveying.
