Provider Name and Credentials:	John Perkins, RBT
Supervisor Name (even if they did not attend session):	Chad Bowman, BCBA
Service Rendered (CPT code):	97153 (Adaptive behavior treatment procedures)
Current Clinical Status:	Jane arrived laughing and smiling. This behavior suggests an initial receptive and cooperative state, conducive to engagement in the learning activities planned for the session. Her demeanor upon arrival indicated a readiness to participate and engage with the session's objectives, specifically aimed at improving her verbal requesting skills. No setting events that could potentially influence her behavior during the session were reported at this time.
Treatment - Select from dropdown (hover to the right of cell and dropdown arrow will appear):	Discrete Trial Training Direct Instruction High-P/Low-P Sequence During today's session, Jane demonstrated notable progress in her targeted goal of improving verbal requesting skills. The structured Direct Instruction Teaching (DIT) protocol was employed, with each trial starting with a clear instruction, followed by Jane's prompted response. Jane's performance today was exemplary in several aspects. She successfully used full sentences to initiate verbal requests in 8 out of 12 trials without needing prompts, indicating a significant advancement in her ability to communicate needs effectively. This represents a marked improvement in her verbal requesting skills, showcasing her ability to understand and apply the structured teaching provided. Throughout the session, Jane demonstrated marked progress, successfully initiating verbal requests using full sentences in 8 out of 12 trials independently. She exhibited an understanding of the social nuances involved in communication by stopping and making eye contact when requesting items. Given her significant progress and consistent performance, no modifications to the acquisition charts, objectives, benchmarks, or procedures were deemed necessary at this time. The determination was made based on Jane's ability to meet the session's target goal and her demonstration of skill generalization, indicating that the current intervention strategies remain effective. Jane arrived today laughing and smiling. The target goal was to improve her verbal requesting skills. The RBT provided one-on-one instruction following the structured DIT protocol. Each trial began with a clear, concise instruction, and Jane was prompted to respond appropriately. Correct responses were immediately reinforced with verbal praise and access to the preferred item. Jane showed marked progress in her ability to request by using full sentences, which was our session target. She successfully initiated verbal requests in 8 out of 12 trials without prompts. She was able to stop and look at staff when requesting items. Sessions will continue to focus on this skill.
Response to Treatment:
