

Autobiography Rough Draft

My name is Samantha Rose Peluchette and I was born 12 weeks premature on January 3, 1992 in Allegheny General Hospital at 9:36 pm. When I was born I weighed 2 lbs. 13 oz. and I could fit in my dad's hand. My mother, Hope Edwards, was 15 years old and my dad, Daniel Peluchette, was 19 years old. I was in the hospital in an incubator until April because I was born so early.

My mother grew up in Wexford, Pa and went to Pine Richland High School. My dad grew up in Saxonburg, Pa and went to Deer Lakes High School. My grandma, great-grandparents, aunts, and uncles on my mother's side of the family still live in or around Wexford. My mom's father lives in New Castle, Pa. My dad's parents both passed away before I met them, but they lived in Saxonburg, Pa. My dad's brother lives in Tarentum and my dad's aunts and uncles and my great-grandma live in Grove City, Pa. On my mother's side, my great-grandma was Slovakian and my great-grandpa was Polish, German, and Native American. On my dad's side of the family, everyone is Italian. On my mom's side of the family, everyone has been living in western Pennsylvania for as long as any of us can remember, but my grandma says that my great-great-great-grandparents came to America from Poland and Germany. On my dad's side of the family I don't know very many of my family members, so I'm not sure how they came to live in Grove City, Pa.

After I was born, my mom and dad separated and I went to live with my great-grandma until I was seven years old. While I lived with my great-grandma, I went to North Allegheny School District, went to a Baptist church every Sunday, and played with my friends. When I was seven, I moved in with my mom and my now step-dad, Jim. This

The Dictionary of National Biography Leslie Stephen, Sir Sidney Lee, 1909 *Dictionary of National Biography* Leslie Stephen, 1894

The Writing Report Card Arthur N. Applebee, Judith A. Langer, Ina V. S. Mullis, 1986 Based on the National Assessment of Educational Progress NAEP 1984 assessment of the writing achievement of American school children

this report presents national and demographic subgroup achievement results for students in grades four eight and eleven and discusses students attitudes toward writing and instruction The first chapter describes the tasks and evaluation criteria used in the study and highlights results of the study including the following 1 although many students appeared to know the basic elements of analytic writing such writing was difficult for students in all grades 2 while most students could express their points of view in persuasive writing many had difficulty providing evidence for those viewpoints 3 students had less difficulty with tasks requiring short responses based on personal experience 4 students found it moderately difficult to write well developed stories 5 home environment is related to writing achievement 6 students who indicated writing three or more reports and essays during a 6 week period had higher achievement levels than students who reported not writing during that time period 7 students positive attitudes toward writing deteriorate steadily across the grades 8 students reported that their teachers are more likely to mark mistakes than to show an interest in what they write or to make suggestions for the next paper and 9 content area writing increases between grades four and eight and decreases again in senior high school The next four chapters provide specific achievement data by grade level for informative persuasive and imaginative writing and for writing performance among various demographic subgroups The remaining three chapters focus on students responses to questions concerning writing and writing instruction specifically their values and attitudes toward writing how they manage the writing process and what they write and the help they receive

HTH Building Genre Knowledge Christine Tardy,2009-07-15 Adopting an interdisciplinary perspective BUILDING GENRE KNOWLEDGE provides a unique look into the processes of building genre knowledge while offering a dynamic theory of those processes that is inclusive of both monolingual and multilingual writers a necessary move in today s linguistically diverse classrooms It will therefore be of great interest to researchers and practitioners in both first and second language writing studies
