

Business Plan for Automotive Repair

This Business Plan for an Automotive Repair business allows entrepreneurs or business owners to create a comprehensive and professional business plan. This template form allows a business to outline the company's objectives and detail both current company information as well as any past performance. Companies should include a complete market analysis in their plan to help showcase why their business strategy will be effective in the market. Future company plans, including production targets, management strategy, and financial forecasting, should be used to demonstrate and confirm that the company's short-term and long-term objective can and will be met. This model plan can be customized to best fit the unique needs of any entrepreneur or owner that is seeking to create a strong business plan.

Sample Automotive Business Plan

H Kauffman

Sample Automotive Business Plan:

Real Business Plans & Marketing Tools Anne McKinney, 2003 The first title in PREP's new Business Success Series is designed to help individuals who want to prepare paperwork related to starting growing selling or marketing a business The book contains real business plans for those contemplating entrepreneurship as well as for those who have an ongoing business which they are interested in selling Readers will see samples of real business plans used by real organizations to sell a business to public companies Readers will also see samples of documents paperwork and financial statements used by real companies to obtain equity financing and bank loans A valuable section of the book is the section which shows marketing tools and business resumes used to attract new customers and increase profitability The author holds an MBA from the Harvard Business School
