Totally Tweens and Teens Diane P. Tuccillo, 2020-04-30 The library programs featured in this unique collection are those that have been suggested created and led by youth with the help and guidance of the supportive adults at their library. Many times librarians bring ideas to teens in hopes of getting them to buy in and perhaps help them to run programs. In this book you will primarily find a role reversal. Tweens and teens lead the way with whatever adult information support and supervision they need to see their proposals through. To accomplish this the youth are encouraged to create new ideas, are empowered to make decisions and are given control. Plus the ideas they bring to life are not just peer focused. The programs, activities and events they create and lead can be for children, adults or even for all ages or mixed audiences as well as for fellow tweens and teens. In addition to finding a wide array of proven ideas, recommendations and testimonials from real tweens and teenagers you will discover helpful advice on using the philosophies behind allowing youth to not only have a say but to take action. Testimonials from adults who have worked directly with youth having this level of empowerment, suggestions on getting approval and providing funding and other support for youth ideas, ways to evaluate such youth led programs and sample forms, flyers and other materials that can be adapted.
