I have been guiding and teaching young students the art of cheerleading for about 4 years. I am optimistic that my work experience and coaching abilities would be beneficial for your school.

{School name xxxx} is amongst the top schools in the town. The interschool sports events held at your school are remarkable. My skills would help you build an excellent cheerleading team for your school to promote a competitive and motivating spirit.

In my current school, I have the following tasks to perform as a Cheerleading Coach:

- Organize training sessions.
- Acquaint the activities director with the progress.
- Help fellow teachers in preparing for the events.
- Clear doubts of my students.

I believe in holding practice sessions from time to time to help young girls learn and master cheerleading techniques. My primary motive is to develop a strong knowledge of the basics of cheerleading and then move to an advanced level. During the rehearsals and at the time of the main event, I ensure proper safety precautions are taken. Furthermore, my managerial and interpersonal skills are excellent.
