High Priest of the Temple of Set from 1975 to 1996 Received by Aleister Crowley in April 1904 in Cairo Egypt the Book of the Law is the most provocative record of magical working in several hundred years affecting not only organizations directly associated with Crowley such as the Ordo Templi Orientis but also modern Wicca Chaos Magic and the Temple of Set Boldly defying Crowley's warning not to comment on the Book of the Law Ipsissimus Don Webb provides in depth interpretation from both Black and White Magical perspectives including commentary from Dr Michael A Aquino who served as High Priest of the Temple of Set from 1975 to 1996 Webb examines each line of the Book in the light of modern psychology Egyptology existentialism and competing occult systems such as the teachings of G I Gurdjieff and contemporary Left Hand Path thought Discarding the common image of Crowley formulated in a spiritually unsophisticated time when the devotee of the Left Hand Path was dismissed as a selfish evil doer Webb unveils a new side of Crowley based on his adoption of the Loki archetype and his aim to become a vessel of love for all humanity In so doing he shows how the Book of the Law is connected to both Right and Left Hand Paths and reveals how Crowley's magical path of mastery over the self and Cosmos overthrew the gods of old religion which had kept humanity asleep to dream the nightmare of history Providing in depth analysis of Crowley's sources and his self identification with the First Beast of Revelation from a profound esoteric perspective Webb takes his views out of the Golden Dawn matrix within which he received the Book of the Law and radically recasts the Cairo Working as a text of personal sovereignty and a relevant tool for personal transformation *Be Still and Listen* Amos Smith, 2018-06-12 The various crises we experience in society and culture today at their root reveal a spiritual problem a profound lack of meaning The mystical truths revealed in scripture can surely help With *Be Still and Listen* it is possible to explore the contemplative dimensions of the Bible either on your own or in a group setting as you perhaps never have before Part One Entering the Desert introduces the reader to principles of awareness deep listening and contemplation as essential for hearing what Scripture has to say Part Two details the importance of mystery and struggle in the process of healing from any past or present wounds And Part Three explores the undivided heart that is possible when we come to know God in silence and stillness Amos Smith's unique voice is rooted in his long term centering prayer practice and his international background *Be Still and Listen* is a trumpet call to the inner treasures of contemporary Christian mysticism RICHARD ROHR author of *Falling Upward* In a lively accessible and masterful style Amos Smith unveils the mystical foundations of Christianity and the spiritual wealth found in Scripture KYRIACOS MARKIDES author of *The Mountain of Silence* *Be Still and Listen* promises to be a refreshing companion to your spiritual journey helping you to deepen your capacity for presence of being assisting you to live in the here and now and guiding you along the mystical path with Christ PHILEENA HEUERTZ author of *Pilgrimage of a Soul* Amos Smith's mystical writing builds bridges between Eastern and Western Christianity ABBA YOHANNES Ethiopian Orthodox monk **Sermons For The Battlefield** Dominique J. Fryar, 2012-05 One of the greatest questions in the Christian faith is how do I achieve spiritual prosperity and finally gain victory over my life Many are tired of fighting the same fight and

being dealt the same hand and want God to hurry up and answer them Time and time again we look to our external circle to find stimulation for an internal struggle only to find ourselves looking back at the Eternal Answer to avoid a worst situation The keys to success are written in every self help book and can be heard in speaking arenas around the world but God wants us to listen to what He has to say True success is not measured by the amount of money in your bank account or the number of people that follow a multi million dollar empire Change your thinking Most millionaires and successful people still find themselves unhappy and spiritually dry and seeking for spiritual nourishment We are charged to be different and to show others that do not know the way how to reach their greatest potential and live a spiritually prosperous life God is calling every man to him The Lord has room in the kingdom for all willing to lose their life to earn eternal life and achieve spiritual prosperity No matter if you want to be rich in favor own a Fortune 500 company or just want to develop the position in your life right now God wants to show you how to take where you are and use that to get to where you want to be **The Living Church** ,1978-07

Langley,2024-12-15 Reformed Epistemology and the Structure of Knowledge Cornelius Van Til and Alvin Plantinga on Belief develops a comparison of the epistemological formulations of Cornelius Van Til and Alvin Plantinga Initial focus is placed on developing the extent to which Van Til s work demonstrates a discernible theory of knowledge and an argument is made for interpreting his epistemology as directly dependent on the conceptual resources of British Idealism It is shown through Van Til s appropriation of these resources that an idealist theory of knowledge is indispensable to but not identifiable with his distinct epistemological formulations Attention then shifts to further clarification of these categories by way of Plantinga s proper functionalist account of warrant Here the underlying structure of knowledge for both Van Til and Plantinga is examined demonstrating that Van Til s formulations neither endorse an idealist coherentism nor exclude Plantinga s foundationalism Subsequent comparisons then consider arguments for meaningful similarity between each program and give special consideration to the implications of such a comparison for contemporary discourse surrounding Van Til and Plantinga In Search of Peace Margarita C.
